## 40-Year Lease Ok'd For Plant in Madison

**Diamond Paving Co. To Erect \$500,000 Bldg. in Maers Park**

A 40-year lease agreement with Diamond Paving Co. of Granite City for construction and leasing of a new half-million-dollar warehouse and office building in the Stephen Maers Industrial Park in Madison was approved by the Madison city council in a regular meeting Tuesday night.

The agreement provides that the structure of about 30,000 square feet will be built by the company and then sold to the city. The city in turn will lease the property back to the company for an annual rental fee of 10% of the total purchase price paid by the city.

Mayor Stephen Maers told the city council that he understands the cost of the facility will range from \$500,000 to \$600,000. In addition, the agreement states that the city will build a street through the industrial park as well as installing a ten-inch water main and sanitary sewer facilities to serve the new installation. The street is to be a continuation of McCasland avenue.

**Will Grade Area**  
The city is to make all preparations of the site necessary for construction, including filling, grading and other engineering required for roads, sewer systems, water mains, drainage and boring tests.

Under the agreement, the city also will grant all easements needed by the company for construction and maintenance of rail lines.

Cost of building such railroad lines would be borne by the company, but the easements would be provided without cost.

In addition to the annual rental fee, the company will pay the city \$800 per acre for the land on which the facility will be located.

The rental fee of 10% of the purchase price of the structures is to continue for 20 years of the 40-year lease, payable in equal monthly installments, during which period the city of Madison will pay the real estate taxes on the property.

Rent for the remaining 20 years will be in an amount equal to the real estate taxes, the agreement provides.

**Can Add Buildings**  
Provision also is made that in the event additional buildings are needed by the firm, they will be purchased by the city and leased back to the company under the same terms—except that the city of Madison is required to borrow or obtain financing, the company will pay 2% over and above the money cost to the city, payable under terms to be agreed upon.

Mayor Maers told the city council that purchase of the city proposed new plant "will just about use up our \$2.5 million." The money received to make up a reserve fund of Madison's income from operating the old Chain of Rocks Bridge before toll charges were ended. The toll-free Interstate 270 bridge was built a short distance up stream by the federal government.

A steel plant and two warehouse projects currently are under construction at the Maers Industrial Park.

The steel plant, built for Caine Steel Co., is to be completed

## Gang of 4 Youths Invades Home, Terrorizes Family

Four white youths ranging in age from 15 to 20 forced their way into the home of a Venice family about 1 a.m. today and terrorized the family for three hours while they ransacked and looted the house, Venice police reported.

The youths broke into the home of Mr. and Mrs. Jacob Robertson, 518 Third street, by pushing out a screen on a rear porch and forcing a panel of the back door, police said.

They went to the bedroom where Mr. and Mrs. Robertson and their son, John, were sleeping. One of the boys put a gun to Mrs. Robertson's head while the other three ransacked the house.

Mrs. Robertson told police the youths remained in the house until about 4 a.m. and that one boy continued holding the gun to her head the entire time. The intruders apparently were searching for money, she said. They took between \$80 and \$90 in cash, a 12-gauge shotgun, a number of kitchen knives and a radio, police said.

Mrs. Robertson said before leaving the intruders taped her hands and feet and warned her they would kill her if she reported the incident to police.

**Small Boy's Left Arm Mangled in Wringer**

Two-year-old Dennis Wallace suffered a badly mangled left arm yesterday afternoon when he caught it in a washing machine wringer.

The boy, son of Mr. and Mrs. Billy Joe Wallace, 2605 Cleveland blvd., was admitted to St. Elizabeth Hospital shortly after noon.

Mrs. Wallace was in the yard hanging up clothes when she heard her son's screams. She rushed into the house to find him with his arm wedged in the wringer.

The family noted the boy always carries a little stool around and that he was probably trying to help his mother with the washing.

## Another Break in Nameoki Sewer Line

**High Water Table Level Stalls Start of Repairs; Costly Job Expected**

(Picture on Page 7)

Immediate emergency repairs were authorized Monday night by Granite City council members upon hearing a report of another break along a 14-inch sanitary sewer line in an easement between Lynch avenue and Pine street.

Three proposals were received from local contractors, and after they were studied by the engineer and controller, a recommendation was made to award the job to A. H. Seebold & Co., whose labor rate was slightly lower than the others. All were on a materials-plus basis.

The break is in the middle of the 2500 block of Lynch avenue along the same line where there have been other costly breaks in the past. A test bore made Tuesday near a 12-foot diameter cave-in at the rear of 2837 Lynch avenue, showed water at 8 1/2 feet. The line is about 12 feet underground.

Actual start of repairs has been delayed until the arrival of wellpoints from Chicago. They are expected to arrive today. Street Supt. Winfield said Wednesday the depth of the sewer line has "floating" most of the time.

A 750-foot pipe has been laid along the easement from manhole-to-manhole to pump sewage around the cave-in. A spokesman for A. H. Seebold said yesterday afternoon the water table has gone up and water now is only five feet below the surface.

Council members expressed concern over the possible cost of the job, recalling a series of sewer breaks of several years ago in the Nameoki area that cost the city nearly \$500,000.

Alderman Rutledge said the treasurer and a controller should set up a special fund for the latest repairs, transferring funds from the city's working cash fund.

The city had a reserve in its sales tax fund of \$25,832 on Dec. 31, and receipts for January amounted to \$37,893, but during Monday night's meeting, \$18,000 was transferred to other departments and funds.

City Treasurer Rich pointed out that any transfer from the working tax fund would have to be replaced, either with other surplus funds or taxes.

## Madison City Election

### Circuit Judges to Decide Ballot Lineup

Legal determination as to how the names of seven candidates for Madison city offices shall be printed on the city's April 15 election ballot will be sought this afternoon in a hearing at Edwardsville by an "electoral board" made up of three

Judges of the Third Judicial Circuit.

The hearing was to open at 1 p.m. before Associate Circuit Judges Fred Schuman and Michael Kinney and Circuit Judge Joseph J. Barr, who were named to serve as the electoral

board in place of Madison city officials.

The issue involves the question as to whether the names of seven candidates seeking city office in opposition to a slate of incumbent officials shall be placed on the ballot as members of the "People's Progressive Party" or whether they shall be listed as independent candidates.

City elections are scheduled April 15 in Madison, Venice and Pontoon Beach.

**Bellotti Sought Ruling**  
Madison City Clerk John Bellotti requested a ruling on the problem because, he said, the seven candidates who filed petitions of candidacy as a party ticket not only failed to include the required petition form designating the creation of a new political party, but also filed separate petitions for city offices subject to election and failed to include a candidate for the aldermanic post in the Fifth Ward.

Petition forms for creation of a new political party state that a complete ticket of candidates must be filed when candidates run under a party heading.

Madison Mayor Stephen Maers, himself a candidate for re-election in the municipal balloting, said city election officials are not attempting to keep the opposition candidates off the ballot, but in view of the manner in which their nominating petitions were filed are attempting only to determine the legal course for listing the candidates on the ballot.

City Clerk John Gitchell said Judges Schuman, Kinney and Barr were named as the electoral board to hear the case because of a series of circumstances that bars regularly designated electoral board members from service.

He said state law provides a city electoral board consisting of the mayor, the city clerk and the council alderman with the most years of service. Mayor Maers and Clerk Bellotti were

## Levee District General Fund Levy Up \$88,295

A new 1969 general fund levy of \$1,050,250—an increase of \$88,295 over that of last year—was adopted by the East Side Levee and Sanitary district board of trustees in a special meeting today.

It was the first time in the levee district's long history that the general fund levy passed the \$1 million mark.

Through a rearrangement of cost items for which funds are levied, the new bill actually calls for tax income to finance

levee district expenditures to totaling \$138,295 more than those included in the 1968 levy.

This results primarily from the elimination this year of a \$60,000 loss and cost of collection item that the levee district has levied for many years to make up tax delinquencies—a practice under which the responsible taxpayer picks up the tab for district tax losses from taxpayers "who wouldn't, or couldn't, pay their tax bills."

**\$995,250 in Costs**  
This year's new bill includes a tax levy of \$995,250 for actual budgeted general fund expenditures and \$55,000 for payments to make up tax delinquencies—a practice under which the responsible taxpayer picks up the tab for district tax losses from taxpayers "who wouldn't, or couldn't, pay their tax bills."

The general fund levy will increase to \$1,050,250 the total amount of tax delinquencies to be extended against residents of those sections of Madison and St. Clair county that lie within the levee district. Granite City, Nameoki, Chouteau and Venice townships make up Madison county area of the district.

This total is made up of the general fund levy plus an additional \$1,000,000 that will be tendered for payment of bond principal and interest due this year.

While this year's bond payments are down \$35,819 below the \$1,066,212 paid for that purpose in 1968, the higher general fund levy this year brings the overall 1969 budget figure \$61,776 over last year's total.

Bulk of the general fund levy increase is extended for projects of cost financing of work on drainage ditches, canals, levees and other district operations—which is extended this year at \$454,575, an increase of \$120,000 above the tax levy for the same purpose in 1968.

## Local Man Dies in Head-on Crash of Auto-Truck

**Victim Oscar Farrar Pinned in Wreckage For Nearly an Hour**

OSCAR FARRAR  
Crash Victim

A Mitchell resident was killed and two other men were injured in a head-on auto-truck crash on State Route 3 two miles north of Interstate 270 at 11 p.m. Monday.

Dead is Oscar Farrar, 45, of 19 Carolyn blvd., Mitchell. State police said Farrar was driving his car and was alone.

The injured were William Reed, 43, of Kansas City, Kan., driver of a semi-trailer truck, and William Gash, 49, of Pittsburgh, Kan., a passenger in the truck. Both were admitted to St. Elizabeth Hospital.

Farrar, who was pinned in the wreckage of his car for nearly an hour, was pronounced dead at the scene by Deputy Coroner Edward Werner of Granite City. Farrar suffered a fractured skull and multiple internal injuries.

Members of the Mitchell volunteer fire department were summoned by state troopers to stand by in the event of a blaze resulting from spilled gasoline and diesel fuel at the crash scene.

Reed was treated for pains to the right hip, abrasions and contusions to the right eye, contusions of the left hip and chest x-rays. Gash suffered multiple small abrasions to the back, laceration of the right hand and was given skull, chest and spinal x-rays.

**On Wrong Roadway**  
State troopers said Farrar was headed north, in the southbound roadway of Route 3 as Reed's truck was headed south in the northbound lane.

Farrar is survived by his wife, Mrs. Bernice Farrar, two children, Glenda Lee, five, and Michael, three, and a sister, Mrs. Hobart (Marguerite) Byrd of Springfield, Mo.

A 26-year Army veteran, he had just retired from active military duty three years ago and was employed as a guard for the State Agency at the Shell Oil Refinery in Wood River.

He was born in Salem, Mo., but made his home in this area since his retirement. Funeral arrangements are given in today's obituary column.

**Motorist Injured**  
As she was making a left turn into the Rose Bowl restaurant parking lot from Nuneed road at 8:35 p.m. Tuesday, an auto operated by Mrs. Ossie Sherrill, 68, of 2818 Yale avenue, collided with the northbound vehicle of Lee Grex, 28, of 4002 Wabash avenue. Both drivers were towed from the scene.

Mrs. Southwick was treated at St. Elizabeth Hospital for rib pains. She underwent x-ray and was released.

A collision on the Bellemeade shopping center parking lot near Tri-City Grocery store at 3:25 p.m. Tuesday, involved autos operated by Elizabeth B. Schertz, 35, of 2545 Paul avenue, and Denise Smith, 28, of 1203a Market street, Venice.

A 13-month-old infant, Orlando Bryant, son of Mrs. Jennifer Bryant, 307 Weaver street, Venice, who was asleep in the Smith auto at the time of the accident, was taken by ambulance to St. Elizabeth Hospital.

The infant was treated for abrasions and swelling of the forehead and later released.

## Variety of Jobs Open in Area

Job openings exist in several occupational areas in the Quad Cities according to Mrs. Mary Thompson, manager, Illinois State Employment Service.

Openings include accountant, stenographer, hotel clerk, salesman of food products, guard, masseur and foundry worker.

Persons interested in applying for any of these jobs may go to the Employment Office at 2050 Iowa street.

The Illinois State Employment Service provides assistance to applicants without charge to either employer or applicant.

## Aimed at BB Vandals

"Somebody's Going to Get Shot," Alderman Stresses

"Somebody's going to get shot," was a warning issued Monday night by Seventh Ward Alderman Emerald Dawes.

The alderman said he was being flooded with complaints from persons whose auto windows or picture windows in their homes have been targets for vandals with pellet or BB guns.

"They're concentrating in our area, and it's getting to be more than the people can stand."

He called for all residents of the area to be watchful and to call police immediately upon seeing anyone or a group with pellet and BB guns.

"We've got to do something,

## Restaurant Thieves Steal Chili Pot

Burglars who broke into Fay's Grill, 1342 State street, Madison, Tuesday night or early Wednesday morning, apparently didn't want to leave anything behind.

After breaking open a cigarette machine and the cash register, the thieves went to the kitchen where they found a pot of chili on the stove.

Police said the intruders dumped the chili in the sink and took the pot.

City Atty. Leon Seroginas was instructed to review the city's laws for possible strengthening, and

and police can't be everywhere, so we'll all have to cooperate in this job.

Dawes went on to say, "The people are mad. Why just last weekend, somebody threw a sign through a picture window at a home at 2 o'clock in the morning."

Dawes asked the council's legal committee to arrange for a meeting with Illinois Power Co. officials for change in a company policy that does not permit the city to install lights in easements.

"The vandals are taking advantage of the cover of darkness in those areas where there are no alleys and no lights. We've got to do something," he added.

## Work Incentive Program Being Added in Venice

Incorporation of the Department of Labor's WIN (Work Incentive) program into programs now offered at the Venice-Lincoln Technical Center will add an additional ten students each week to the number already enrolled at the vocational school, Venice school board members were advised at a regular board meeting Monday evening.

Venice Supt. of Schools John O. Pier reported that the plans to correlate the Labor Department program with courses offered at the school are being completed with federal and state officials.

New students probably will begin basic education and General Educational Development (high school equivalency) courses next week, he added.

Pier said that WIN enrollees are selected from persons receiving public aid who are judged to have employment potential after training. Trainees receive an additional \$30 per month while attending WIN programs.

Enrollees will be given 12 to 16 weeks of general instruction, followed with training in welding, commercial sewing or similar courses, the administrator explained. He said a physical examination is required and candidates for the program are screened by WIN personnel.

Pier pointed out that between 88 and 100 persons in the local area are considered eligible for participation in the WIN program and currently are being screened and processed by staff members prior to enrollment.

Funds for Summer Program The school administrator also informed board members the Venice school district will receive \$486 in Title I funds to finance the summer recreational and education program, sponsored each year in cooperation with the city of Venice and the Venice community park district.

The 1969 allocation is \$1700 less than the school district received last year, Pier noted.

In other business, the board authorized use of the Venice-Lincoln Technical Center by the New Salem Baptist Church for a banquet and fashion show on May 31. A \$100 fee was posted for use of the facilities.

Pier was authorized to file an application for Public Law 874 (federal impact) funds through which the Venice district could receive to receive between \$1800 and \$1800.

Under the Title I program, Mrs. Tommie Bailey was hired as a teacher's aide, at a salary of \$1.00 per hour.

The board discussed employment of a director of special education to supervise activities of Special Education Council composed of the Granite City, Madison and Venice school districts.

Thomas Proposed as Director The Venice board was advised by the regional executive committee that an application for the post has been submitted by Harold V. Thomas, Granite City director of special education.

Pier said that Thomas is one of the leading proponents of special education in Madison county, with 34 years of experience, and is highly qualified for the position. Similar reports were made by Jack Tolliver, a Venice board member and representative to the Region I committee.

Explaining that sufficient tax money will not be received to cover expenses of the Venice district's building and Illinois Municipal Retirement funds, Supt. Pier recommended that \$15,000 be transferred from the working cash fund to the building fund and \$2000 from the cash fund to IMRF. Resolutions were enacted by the board effecting the transfers.

Reports from the school treasurer showed balances of \$3045 in the revolving fund and \$2678 in the activity fund.

Buy Library Equipment Monthly bills approved for payment from the educational fund totaled \$8884, including such amounts as \$752, Blackwell Wieland Co., library equipment and supplies; \$285, Paxton Equipment and Supply; Industrial arts supplies; \$265, Fijan-Maeras Agency, insurance.

## Handicapped Learn How To Have Fun Activities

If there's one thing the experts are learning about people who are physically or mentally handicapped, it is that they can do a lot more, and have a lot more fun, than once was thought possible.

In camps, playgrounds, schools and parks all over the U.S., retarded youngsters are engaging their underdeveloped minds and muscles in physical and social activity once presumed to be all but beyond them.

And just as those invisible mental braces are being stripped steadily from America's 5.5 million retarded youths and adults, the real ones worn by 2 million victims of crippling diseases appear less and less obstructive to their enjoyment of normal living.

The experts are finding out that all kinds of recreational pursuits can be mastered by the handicapped. They can play softball with only a little help, and they can shoot a bow and arrow, something the "book" used to say was impossible for a moderately retarded youngster.

They can ride a horse, bait a hook and maybe even catch a fish.

Blind Target Shooters In Cleveland, Tulsa, San Francisco, Louisville, young men have shaken the brutal hammerlock of cerebral palsy and have become bowlers. With names like the Alley Cats, the Gutberlin Kids and the Cherry Pickers, they compete in their own leagues and roll some astonishing scores. Out in Aberdeen S.D., blind target shooters score bullseyes on a 22 rifle range. An electronic "beep" signal helps them locate the target by ear.

Now the horizons of the handicapped have been stretched beyond dry land. The American National Red Cross, aware that most handicapped people take to the water like enraptured children, is moving ahead with a nationwide program of Aquatic Schools whose single objective is to train swimming instructors for the crippled.

One of the original schools is at Little Grassy Lake in Southern Illinois. The host is Southern Illinois University, which operates an outdoor laboratory and camping complex on the lake and the resources are retarded youngsters from the area. Their trainee-instructors are selected college students from all over the Midwest.

Retarded Sail Boats Like so many recent advances in the spotty, under-cultivated field of recreation for the handicapped, the school at Little Grassy has turned up some surprises. A mentally retarded 12-year-old learned to steer a sailboat. Boys and girls alike, got the hang of canoe-paddling and power-boating—and, of course, swimming.

Gene Keltner of Decatur, director of his county's Red Cross chapter, is an instructor at the Little Grassy school, one of six in the nation. He'll be back again when the Aquatic School convenes this June. He thinks the program is the greatest thing since sliced bread.

It is something about being in the water that causes people to lose many of their inhibitions, he says. "Also, a handicapped person's condition is less apparent in the water. If recreational opportunities are important to the normal person, they are doubly so to the person who might well be doomed to the wheelchair or total darkness."

The darkness enveloping one 10-year-old girl at Little Grassy was so complete that she never smiled, rarely uttered a sound. Her own special darkness, total blindness, was deepened by retardation. But when her turn came in the sailboat, a light broke through the solitary cage of her face. Gripping the tiller tightly with both hands, she smiled.

"That expression on a handicapped kid's face is probably the greatest thrill and achievement that an instructor can have," says Keltner.

It's almost, you might say, like saving a life.

### Lake Parents Name Officers

Approximately 100 were in attendance at the February meeting of the Lake School PTA Monday evening, when officers were elected for 1969-70.

Mrs. Ruth Winters, on behalf of the nominating committee, presented the list of officers.

The meeting was called to order by the president, Mrs. Audrey Eddleman, and Cub Pack 109, under the supervision of Cubmaster Ellis Hackney, posted the colors and led the audience in the pledge of allegiance.

The members authorized purchase of a copying machine for the school. Mrs. Eddleman announced that the school picnic is scheduled for May 22 at Wilson Park.

It was decided to set aside a special fund to begin the new year. The remainder will be used for school activities, such as field trips and other student activities.

Officers elected were Mrs. Eddleman, president; Mrs. Donna Lorente, vice-president; Mrs. Delores Riddle, secretary; and Mrs. Elizabeth Stevens, treasurer.

In observance of Boy Scout Month, the three dens of Pack 109 were presented, and calls received for rank. Den Two, under the direction of the den mother, Mrs. Eddleman, enacted a playlet, "Operation A."

A trophy was won by Mrs. Betty Yarbrough's class for the largest percentage of parents present. Principal Richard Barnett introduced Richard Brinkhoff, who spoke on the non-graded system now used in many schools. He explained how the program began and noted progress and plans for the future. A question and answer period followed.

Refreshments were served in the cafeteria by the parents. The next meeting will be held May 20.

### Past Chiefs Elect Officers

An election of officers was held at the monthly meeting of the Past Chiefs Club of the Pythian Sisters on Monday in the home of Mrs. Nettie Conary, 2521 Edison avenue.

Elected were Mrs. Lillian Chepley, president; Mrs. Ella McKittick, vice-president; Mrs. Leola Arbogast, treasurer, and Mrs. Fern Egley, secretary.

A noon luncheon was served by the hostess. In the absence of the president, Mrs. Olivia Lehman, Mrs. Ella McKittick, vice-president, conducted the business session.

After the meeting games were played with prizes going to Mrs. Egley, Mrs. Chepley, Mrs. McKittick and Mrs. Christine Barron.

Also present were Mrs. Martha Montague and Mrs. Nell Hutchinson. The next meeting will be held on March 17 in the home of Mrs. Egley, 2628 Grand avenue.

### Dear Jackie:

We've just purchased a new shag rug and it's a problem keeping it brushed up. It's too big to pick up and shake, and the traffic on it keeps it matted down. Can you help?

TIERED,  
Granite City

Dear Tired,

You're not going to believe this! Use a bamboo rake to brush it (or rake it) up. I had the same problem and this is what the man from the mill suggested. Or, if you're like me and like to "conserve energy," the new Hoover Upright Convertible has a position made just for the new shag rugs. Atkins Floor Covering has the new Hoover for only \$49.95 (it was \$64.95) as an introductory offer.

Dear Jackie:

We have a "real" floor covering problem! Sho polish! Our new nylon carpet has a very bad shoe polish stain that we are now hiding with a waste basket. How do we get it out?

SPOT HIDER,  
Granite City

Dear Spot:

A waste basket? Hope it's not in the middle of the room! Anyway, American Lincoln has a highly concentrated carpet shampoo that should take it out. For a very bad "black" stain your best bet might be "Spot Shot." You just spray Spot Shot on, and watch the stain disappear. Come on out to Atkins Floor Covering, pick up your shampoo or Spot Shot, have a cup of coffee, and tell us just how you got shoe polish on your carpet in a place suitable for a waste basket. (A waste basket?)

If you have floor covering problems write to DEAR JACKIE, c/o Atkins Floor Covering, 3780 Pontoon Rd., Granite City, Ill. Phone 931-4000.

### Berman Discusses Home Education

Dr. B. Berman spoke to a large crowd of parents and over half of the faculty as the March school PTA met Tuesday evening. Topics for the evening was "Sex Education in the Home."

Mrs. Marilyn Smith, president, opened the meeting. The PTA prayer was given by Mrs. Shirley Dutton and there were reports by the secretary, Mrs. Charlie Vunovic, and treasurer, Mrs. Verna Kidman.

Mrs. Jo Ann Brower, ways and means chairman, reported on a fund-raising project to be held in the form of a carnival in the school gym March 7.

Announcement was made that the school picnic will be held at Wilson Park May 23. Members were requested to remember the Heart Fund, which helps provide a free throat culture program for students.

Mrs. Vivian Davis, chairman of the nominating committee, proposed as 1959-60 officers in a Ford Dutton, president, Mrs. Patty Lynn, vice-president, Miss Joyce Lindsay, secretary, and Mrs. Kidman, treasurer.

Miss M. A. Casna, first grade teacher, presented a reading on "Founders' Day." Miss Casna held the first secretary's office in the Marshall PTA.

She next "rolled out the red carpet" for all past presidents. Those attending were Mrs. Ruth McDonald, Mrs. Gary Hoover, Waldo Stenore, Elmer Stiel, George Teller and Mrs. Lois Ferre.

Cherry cake was served by first and second grade room teachers. The attendance banner was won by Miss Eleanor Waddington's first grade class.

Mrs. Ann Osborn and Mrs. Patty Patterson, serving on the hospital committee, had decorated the cafeteria in a "George Washington theme." There were individual cherry trees with red, blue and white streamers at each table. Members were presented with silhouettes of Washington as name pins to be worn during the evening.

Next meeting will be held April 15.

### Shower Honors Miss Richardson

Miss Judy Richardson, who is to be a spring bride, was guest of honor Monday evening at a miscellaneous shower at the Moose Hall given by Mrs. Dorothy Coy, Mrs. Loren Klobe, Mrs. Lucille Schmitt and Mrs. Edna Counts.

Turquoise and white were the colors used in the appointments, and a shower umbrella and a bride doll adorned the table. After the gift packages were opened, there were games and a number of prizes were awarded.

Those present, besides the honoree and the hostess, were Mrs. Dorothy Messinger and Mrs. Helen Chandler, mothers of the bride and groom-to-be, Mesdames Ruth Townsend, Golda Steinberg, Doris Bachteler, Betty Barthelmy, Nancy Norion, Irene Love, Fay Halla, Lois Buzan, Norma Warren, Mae Warren, Emma Laurentius of Cape Girardeau, Mo., Nadine Harrison, Pat Buzick, Doris Wilson, Josephine Knevezich, Helen Testerman, Glenda Davis, Janet Dunn and Jennie Carson of Hazelwood, Mo.

### 85 Sr. Citizens Attend Dinner

Eighty-five members of the Anchorage Senior Citizens attended a pot luck dinner in the recreation room of the project Wednesday afternoon.

Games were played after the meal and plans were made for a program at 7:30 p.m. Friday when the group will be entertained with slides of South America to be shown by Ernest E. Veihl. There will also be a birthday party Feb. 26 at 2 p.m.

## GIRL SCOUTS REHEARSE 'THINKING DAY' DANCE

Twenty Junior Girl Scouts of Neighborhood Two from Washington, St. Joseph, Emerson, Logan and McKinley schools met at Washington school Tuesday afternoon for a dance rehearsal.

They are representatives of troops in the neighborhood and will perform at a District Four "Thinking Day" from 1:30 to 3:30 p.m. Sunday at the Madison recreation center, Seventh street and Lee avenue.

Neighborhood One leaders are general chairmen for the annual event. Brownies of the district will sing, Cadettes will hold the opening flag ceremony and a Senior troop will conduct the closing. The gathering will mark the birthdays of Lord and Lady Baden Powell, founders of the scouting movement for formal girls.

Participating were, from Washington, Kathy Ambuhl, Sherrel Barton, Pamela Collins and Kimberly Gray; from St. Joseph, Margaret Clark, Debbie Vasillo, Vickie Pieper and Kathy Stenier; from Logan, Mandy Krug, Charls Rainwater, Cynthia Woodard and Anita Wilson; from McKinley, Colene Cochran, Lois Maltum, Dawn Wood and Christi Wickham; and from Emerson, Charlene Bennett, Janet Pemble, Ann Harris and Carolyn North.

The scouts will entertain with a Yugoslavian dance entitled "Trojanka," appearing in authentic costumes. Mrs. Marguerite Barton and Mrs. Venka Ambuhl are the neighborhood commens in charge of the program; Mrs. Doris Wood is chairman of the neighborhood scout leaders.

## BROWNIE TROOP 47 VALENTINE PARTY

A belated valentine party was held at Niedringhaus school Tuesday afternoon for Brownie Troop 47, sponsored by the PTA. The troop discussed national registration, under the leadership of Mrs. Jo Ann Dix, and responded to roll call with the names of movie stars.

Mrs. Dix reminded the girls of "Thinking Day" Sunday; Diane Dix, Paula Milton and Linda Holder will represent the troop at the event. These girls taught the troop a German song which they will perform Sunday.

Lisa Shelton, Paula Milton, Terri Deterding and Julie Daniel were in charge of the party. The table was centered with a heart tree and Cupid, and refreshments were served.

Those present were Diane Choat, Patti Cook, Lisa Curtis, Elizabeth Eck, Debra Fickor, Donna Larson, Kathy Koenig, Karen Lawrence, Laura Leet, Jane Matoesian, Renee Sharp, Kathy Shemonia, Lori Stacy, Mandi Walker, Janice Wallace, Kathy Walker and guests, Dawn and Lori Shelton, Timothy Dix and Larry Holder.

Roxana Must Beat MHS to Share Title

The Midwestern Conference basketball race is far from over, and the Madison Trojans will play a decisive role although they are out of contention. Roxana lost 77-67 at Highland Tuesday night, enabling Triad (Troy, Marine and St. Jacob areas) to back into at least a tie for the 1969-70 league championship. Triad has completed Midwestern play with a 73 record, and it was Roxana's third league loss to go with six wins. Roxana at one point had been 6-0 in the conference. Roxana now must win at Madison next Tuesday night to gain a share of the title. Only other remaining league game sends Madison to Highland Friday night, Feb. 28. The Trojans must sweep both games next week to join DuPont and Bethalto in third place with identical 5-5 conference records.

Trigger Happy Duck Hunters Not Accurate

Eager duck hunters' trigger fingers are too busy in the nation's most heavily hunted flyway. Current investigations on the Union County Waterfowl Management Area show that too many hunters shoot at ducks at extreme ranges. From 14 to 16% of young mallard drakes checked by waterfowl biologists on the southern Illinois area have lead shot imbedded in their bodies. The Mississippi Flyway Council has been measuring the hunting of mallards. Use of the fluorescent on 200 mallard drakes hatched last summer has revealed the presence of shot in many. Only young mallards were studied. Mature ducks that have migrated more than once may have pellets in their bodies from prior seasons. Mallards are studied because more of them are bagged and most hunters prefer them.

GC Has Won Last 15 Sectionals-- But Decatur Matmen Unimpressed

Decatur, sporting a state champion and state runner-up, is in the driver's seat of the Wood River high school sectional wrestling tournament competition tomorrow night, but Granite City will be hoping to set a new state record of 16 consecutive sectional championships.

First-round bouts are set for 7:30 p.m. Friday, with semifinals at 10 a.m. Saturday and championship competition at 2 p.m. Saturday in the Wood River gymnasium. Only two of the eight wrestlers in each weight division will advance to the state tournament Feb. 28-March 1 in Champaign. There are 12 weight categories.

44-43 Year Ago Last year, GCBS was an underdog but edged Lincoln of East St. Louis by one point, 44-43, to set a new state high of 15 straight sectional titles. The Warriors are an improved team, but so are other contenders.

The 1968 Granite City district advanced schools as GCBS, with 115 district team points, Wood River 80 and Lincoln 79. Competition at Decatur saw Stephen Decatur lead with 108, followed by Decatur Eisenhower with 103 and Decatur MacArthur 85. Carbondale district leaders were Belleville East 101, Lawrenceville 96 and Centralia 38. Springfield, Springfield, Fayetteville, Southeast scored 90 points, Jacksonville 79 and Springfield 149.

235 Seats for 1969 'Ice Capades' Trip The Granite City park district has an option to purchase 235 reserved seats for the 1969 'Ice Capades' show at the St. Louis Arena on Tuesday, March 25. All seats are light blue and are in rows of the ice, Harold Brown park superintendent said today. Deadline for reservations has been set at March 17, with interested persons asked to call the Wilson Park office at 877-3009. A total of 190 tickets will be available at a cost of \$5.35 per seat, plus 45 cents, priced at \$4 each.

The seating accommodation will cost \$1 more than the price offered through the park district, Brown explained. An \$1 charge is added to the \$3.50 and \$4 ticket fee for round-trip transportation to the arena, the park official noted. He pointed out that last year's trip was a sell-out project, with 221 local residents enjoying the 'Ice Capades' performance.

100 Lancans Entered Belleville East leads numerically with 10 qualifiers, while GCBS and Decatur Eisenhower will replace high school qualifiers. Decatur has seven qualifiers, including Mark Malley, state champion at 145 pounds, last placed at 145 pounds, 112-pound state second place finisher. Both won in the Granite City Christmas tournament this winter and both captured national Junior Olympics championship last summer.

Experience if the post-season tournaments usually is a big help to high school wrestlers, and Coach William Schmitt's Warriors matmen are in reasonably good shape from this standpoint. Miller, Smith Veterans Warriors who wrestled in the state meet last year and are eligible for the Wood River sectionals are Bob Miller, 103 pounds, and Rich Smith, 154 pounds. Both were sectional runners-up.

Cunningham and Malley are the only returning sectional champions. These finishing sectionals along with Miller and Smith were Fred Miller of East St. Louis, 86 pounds, McNary Notre of Lincoln, 120, and Steve Jones of Lawrenceville, 133.

Wallace re-injured his right knee in the district meet but is hoping to take part in the sectional. If he is unable to start, the district third-place finisher will replace him for the sectional. Burcham started the season as fifth-ranking wrestler in his weight division on the GCBS year, but a combination of warior injuries and his improvement have led to him qualifying for the sectional.

First-round sectional pairings, with Warriors' season wins, losses, draws and team points, follow: 103 pounds--Bob Miller (33-4-142) vs. Dave Williams (15-0-142) of East St. Louis Bridge-man (24-8-100) vs. Roy Johnson of Mount Zion, 127-Mick Christopher (28-6-117) vs. Tom Hoff of Belleville East, 133-Burcham (71-12-30) vs. Tim Clark of Mount Zion. 138-Tom Niebur (22-13-74) vs. John Oaks of Springfield, 150-Pace (29-4-138) vs. Ken Smudrick of Centralia.

Miller and Christopher have been their first sectional foe earlier in the season. Niebur, Niebur and Wallace are among those with sectional experience, and Burcham and Pace have had somewhat comparable tests in other meets.

Pace has 28-4 record in sectional was in 1953, to Wood River by a 52-49 score.

steadily. Halftime and third-period scores were 39-35 and 59-51. It was a relatively fast-paced game, with few foul calls, and Venice won it with a 37-32 advantage in field goals. Each team failed 12 free throws.

Fessor again was in great form, pouring in 43 points for Coach William Ohlendorf's Red Devils. Helping out were Douglas Johnson with 21 points, Larry Mosby and Andrei Johnson, each each and Marvin Hollis, 16.

### Gang of Four

Thieves entered by kicking in a door. Items stolen included the radio, valued at \$40; a blonde wig, valued at \$10; a freckled wig, \$75; an aburn wig, valued at \$50 and a penny bank containing an unknown amount of change. The theft of tools and equipment worth \$200 belonging to the Triangle Heating Co., 301 Chain of Rocks road, from the Church of Christ on South Frontage road, was reported to sheriff's deputies yesterday. Entry was gained by breaking a padlock off a door. Items stolen included a tank and hose, a plumbers pot and furnace, and miscellaneous tools.

**Vending Machines Looted**  
Burglars broke in the Deep Rock Service Station, Fifth street and McCambridge avenue, Madison, last night or early this morning and stole the coin boxes of a cigarette machine and candy vending machine. Madison police reported. The break-in was discovered at 3:15 today by patrolling police who noticed the two machines were missing from the station. The machines had been pushed into a rear room workshop where they were broken open. A cabinet and desk also were pried open.

**Room Is Looted**  
While William R. Jones was absent from his room at 2028 Washington avenue on Monday evening, thieves entered and removed a nine-inch portable television set, an eight-transistor radio, a bottle of whisky, a sack of coffee and a box of blue salt and gray topcoat. Value of the suit and topcoat was listed as \$120.

**Pocket Picked of \$32**  
A customer to whom he had been talking apparently picked his pocket of his wallet containing \$32, Thomas Volosky, 500 State street, reported to Madison police at 4:35 p.m. Tuesday. Police reported the wallet later was found behind the Volosky tavern. Papers and cards were intact but the money had been removed, officers said.

Telephone repair equipment valued at \$50 was stolen from an equipment room at St. Elizabeth Hospital about 3 p.m. Tuesday.

A southwestern Bell Telephone Co. employee told police the theft apparently occurred as he was at the hospital, Feb. 19, locating the trouble. Items stolen included a black leatherette police case, containing an assortment of screwdrivers, gauges, pliers and other miscellaneous tools, and a head set.

An employee of Guarantee Electric Co., 1500 Grand avenue, reported to police at noon Tuesday that his scissor tool kit valued at \$41 was stolen from a job the firm was handling at American State Foundation. The theft took place Monday night, the report said.

**Tape Player Stolen**  
A stereo tape player and four tapes with a total value of \$175 were stolen from the auto of John Presley, 317 East Chain of Rocks road, while the vehicle was parked in the rear parking area at Granite City high school Tuesday afternoon. The owner reported to police at 3:50 p.m. Tuesday.

Dennis Campbell, 3000 Edgewood drive, told police at 3:50 p.m. Monday that thieves broke the right vent window on his car the previous night and stole a four-track tape player and cartridge valued at \$85.

Three carburetors were stolen from his 1960 auto while it was parked at Richards Service Station, Route 3 and Interstate 270, Larry Gavilsky, 1319 Iowa street, Madison, reported to sheriff's deputies at 6:45 a.m. Tuesday. Gavilsky told officers he had the car towed to the service station and found the parts missing when he went to check up on it.

**Scrap Metal Stolen**  
Thief of 60 pounds of scrap brass valued at \$15; 80 pounds of scrap copper, \$28; and a 12-volt battery valued at \$35, was reported at 6:40 p.m. Monday

## 84 on District 8 Hwy. Crews to Be Dismissed

Dismissal of 84 men employed as the "third man" on state highway maintenance crews in highway District 8 headquartered at French Village appeared imminent today following announcement that 830 such jobs are to be eliminated statewide.

Public Works Director William F. Cellini said at Springfield yesterday that the elimination of third-man employees from highway maintenance crews will save the state \$11 millions a year in the state's 10 highway districts. Cellini said the dismissals are to be made Feb. 28.

Highway officials at French Village said they are aware of the impending cut, but that official notice of the economy move has not yet been received. The move will reduce each maintenance crew to two men. Each maintenance crew is responsible for minor repairs and maintenance on a 20-mile stretch of highway.

## Application for Crime Plan Grant Approved

The Governor's Law Enforcement Commission of Illinois has approved a joint application of the Madison-St. Clair-Monroe county area for a planning grant under the Omnibus Crime Bill and Safe Streets Act of 1968. It was announced today by Walter E. Moshie, director of the St. Clair County Crime Control Commission.

The joint application was made by the St. Clair-Madison Chiefs of Police Association, the City of East St. Louis, Monroe county and the Southwestern Illinois Metropolitan Planning Commission. The application was filed late in January.

Moshie said he has contacted members of the governor's commission and feels certain the grant for this area will be in excess of \$25,000 to cover planning action to July 1969.

## Driving Charge

Bruce D. Smith, 2549 Pine street, was charged with careless driving when arrested by police at 1:15 p.m. Wednesday at 3000 Madison avenue.

by Norbert Wallace, 2802a Madison avenue, who said the items were stolen late Monday night or early Tuesday. He said the scrap metal was outside the house, covered by tarpaulin.

Willie Palmer, 124 Douglas street, Venice, reported to Venice police at 6 a.m. today that his 1962 four-door model auto, was stolen during the night.

Generally, the graduate students in counselor education are not full-time students. Instead, most are public school personnel attending the campus in the evenings and on Saturdays for the counselor program.

## Plans Write-in Drive For City Treasurer

Paul Simon, 26, of 4047 Stearns avenue, announced today he will conduct an active write-in campaign as a candidate for city treasurer in the Granite City Municipal election April 1.

Simon, an ambulance driver at Mercer Mortuary, said in announcing his candidacy that he is not obligated to any faction and is not affiliated with any political machine.

As a write-in candidate for treasurer, Simon is opposing incumbent Treasurer E. R. "Pat" Rich, who is a candidate for reelection. Rich was the only candidate for city office who had no opposition on the ballot.

Simon formerly was employed for four years in the engineering department of the Illinois Power Co., for one year in the electronics design department at McDonnell-Douglas. He has been with Kaman four years.

He served with the U. S. Air Force and is in the U. S. Air Force Reserve.

## Tree Falls on Power Line; Starts Blaze

A tree fell against a power line disconnecting wires in an adjacent meter box and starting a small blaze at the home of Edward Duffin, 2240 Lynch avenue, at 1:30 p.m. yesterday. Aluminum siding on the dwelling was scorched. Firemen estimated the loss at \$50.

Mrs. Duffin said her husband was trimming the tree when it suddenly tipped backward against the line.

soon. It represents an outlay of \$1 million.

Each of the two warehousing projects will cost about \$450,000.

Maers pointed out that "we still have plenty of bonding power and we legally can issue bonds to build facilities in the industrial park." He said the city also legally can borrow funds directly from banks for such projects.

The council laid over until its next meeting action on a planning contract with the Daly Co. Planning Associates of St. Louis.

A similar contract also was delayed by the Venice city council on Feb. 7, pending a further discussion of services that will be provided by the planning engineers.

The planning unit is to do the engineering work, prepare plans and complete applications for federal funds in a joint Madison-Venice proposal for construction of homes in both cities.

Under terms of a federal program, the cities may buy or build new homes, raise them and build new either private capital or city funds. The houses then may be resold to the original occupants of the sites, or to any other person if the original owner does not want to return to the same area.

Maers announced that he is seeking a new meeting with Mayor Partney of Granite City to work out a problem involving use of a Granite City sanitary sewer line by nine Madison families.

The mayor said that in the late 1940s the nine families in the 1400 block of Washington avenue used their own funds to build their own sewers and tapped in to the Granite City line with the permission of Granite City officials. The residents now are protesting payment of a \$2.50 monthly charge for use of the sewer outlet as non-residents of Granite City.

Maers said a search of ordinance files in Granite City recently produced an ordinance passed in 1947 in which Granite City granted the residents the right to tap in to the sewer in return for a \$250 tap-fee. The ordinance contained no reference to other charges, he noted.

The mayor pointed out that the residents do not object to the regular charge for treatment of sanitary sewage, but are objecting to the additional \$2.50 per month.

purposes is set at \$147,175, up \$14,425 over the 1968 level of \$132,750. Of the increase, \$3000 represents salary raises. Last year's administration level of \$132,750 included \$52,000 for salaries. This year's salary level was \$55,000.

Taxes for engineering purposes are levied at \$47,300, compared to \$45,380 in 1968, and general maintenance taxes are extended at \$287,800, almost the same as last year's \$288,200. Of this amount, \$170,000 is in labor costs.

The new levy for operation of the levee district police force is placed at \$58,400, up only \$250 over the 1968 level of \$58,150.

## Stevenson Will Speak

State Treasurer Adlai E. Stevenson III will be honored and will speak at a dinner meeting at 8 p.m. Thursday, Feb. 27, at the Round Table restaurant, Collinsville, it was announced today. He also will take part in a press conference at 6 p.m. that day at Sunset Hill Holiday Inn. Among those on the committee arranging the banquet are Patrick W. Riddleberger, a state senate candidate in the March 11 Democratic primary.

## Mrs. Calvin Johnson, Former Resident, Dies

Funeral services are to be held Monday in Belleville for Mrs. Calvin D. Johnson, formerly of Granite City, who died Tuesday night in Marlborough, Md. Mrs. Johnson was the former Gladys Whalen, a native of the Quad-City area.

She moved from this area about 20 years ago. She is survived by two cousins, Charles Libby of Granite City and Leonard Libby of Sarasota, Fla. Burial is to be in Vallhalla Cemetery, Belleville.

Engineering Supervision Council members also voted for an engineer from Research Planning & Design Associates to be hired to supervise the repairs.

A authorization was given for Street Super. Warfield and engineer to survey the North Granite area to determine if opening culverts under railroad tracks will aid drainage of the area, which has been inundated. The request for the study was made by Alderman Robertson, who said a ditch also needs to be cleared.

Bartosiak called upon the mayor to ask the newly-named City Beautification Commission to study the possibility of replacing trees on city property in front of homes where trees were removed for storm water sewer construction.

Dallas called for the storm sewer contractor to replace curbs along the 2200 block of Waverly street and on 23rd street between Monroe and L&E avenue.

A report was requested by Alderman Johnson on methods available to the city to retire as early as possible the revenue bonds issued for construction of Nameoki area sanitary sewers.

disqualified because they are candidates and the longest serving Alderman, Emil Ulanski, is ill.

Job Goes to Judges  
The law then shifts the responsibility to the associate judges of the circuit, Gitchoff said. These include Schuman, Kinney and I. H. Streep; Streep, however, is ill. To fill a vacancy in this case, Gitchoff added, the law permits appointment of the circuit judge with the longest service. Judges James G. Monroe and Judge Barr have equal service and therefore drew lots, Barr getting the assignment.

Candidates who filed as members of the People's Progressive Party include Steve Kaman, a former Madison building inspector, as candidate for mayor, running against Mayor Maers.

George S. Burdell as candidate for treasurer against incumbent Demos Nicholas, and Thomas E. Watson as candidate for city clerk, running against Belkoff.

Alderman candidates in this group are Harold Ballentine in Ward One, Richard A. Kiser, Ward Two, Sam Chomsky, Ward Three, and Ronald M. Gushfield, Ward Four.

Incumbent alderman candidates seeking re-election are Robert D. Reeves, Benjamin L. Boover, Roy Kowalski, Christ Costoff and Booker T. Walton of Wards One through Five, respectively. All of the incumbent candidates are running as "Citizens' Improvement Party."

## Lee Honored at Nameoki School with Special Program

Earl Lee, local educator and administrator in the school system who plans to retire in June, was honored at a surprise program held Tuesday evening at Nameoki school. About 75 persons were in attendance.

Under the theme of "This Is Your Life," the honoree was welcomed by Jack Farrow, a former student at Nameoki school, now enrolled at McKendree College, who was master of ceremonies.

The incidents for the program were taken from the years 1947 to 1969, when Lee was superintendent at Nameoki school and prior to the time the Nameoki school district was incorporated in the Granite City school district.

Mrs. Della Aulabaugh appeared in the first scene as the teacher who obtained his application for principal at Nameoki. Lee at that time was teach-

ing in an elementary school in Brighton, Ill.

### Former School Board

The second scene brought forth members of the former Nameoki school board. They included Homer Huber, president, Orville Delmour, Ervin Schafer and Rolan Harshbarger.

Another highlight was a scene from the school cafeteria with the beginning of hot lunches at the school. Since the program was not conducted in many schools, the mothers of the Nameoki students volunteered their time. Taking part in this program was Mrs. Emmett Bosler.

Mrs. Robert Harrell spoke on the fund-raising projects sponsored by the parents of the school, which included minstrel shows and rummage sales.

The next surprise guest was Mrs. Alice Hodshire who served the school as the first office secretary.

**RETIREMENT GIFTS** being presented at a special program, Tuesday evening at Nameoki school to Earl Lee (left) by Homer Huber. Lee, who will retire in June, was presented with a scrapbook with mementos of his years at Nameoki school and a 1876 bound edition of Sears Roebuck catalog.

Mrs. Rolan Harshbarger appeared for the fifth scene and spoke on plans to enlarge the over-crowded school.

### Started Halloween Parade

E. R. "Pat" Rich told of the program instituted at the school by Lee for the annual Halloween parade. Here the children and parents dressed in costumes and paraded through the neighborhood and returned to the school where they were welcomed by a huge bonfire arranged by the fathers to roast wieners and marshmallows.

Robert Harrell appeared on stage in an old costume to remind the group of the program planned to entertain the children and keep them from participating in destructive ideas on this "ghost and goblin" night.

In the seventh scene, several of the original band students and members of the first basketball team were introduced. Mrs. Dawson Wade introduced the band students, Mrs. Richard Branding, Mrs. Glen Romine and Dr. David Kirchner.

Richard Huff, who was the assistant coach at that time, presented the first basketball team, including Pete Robinson, Ranny Rich, Richard Wade, Ray Werthe and Pat Earls.

A square dancing number concluded this portion of the program as Mrs. Helen Bjorkman was the first physical education teacher. She called upon students from those years in her presentation.

The "Double Dutch" Much to the surprise of the parents, there was another form of discipline known as "Double Dutch," which Lee was famous for using, a wooden paddle for more unruly situations. Ralph Bailey made a similar paddle, inscribed with the words, "Double Dutch" and presented it to Lee with the assistance of Virgil Kirksey and James Harsh.

The parents, who became well known for their ministrals as one of the fund-raising projects, staged a show with Richard Hodshire, Paul Thompson and Willis Shepard paying tribute to Lee.

A play-back of 1947-59 provided the scene for the introduction of teachers and PTA members who were active during those years.

**Lee's Family Present** Mrs. Betty Drake Rush now of Marine, Ill., and a former student and instructor of the baton, introduced Lee's daughter, Mrs. Shirley Lee Chappell, line of Springfield and her four children as the final phase of the show.

Other members of Lee's family who attended were his brother, Clyde Lee, now principal of Webster school, and two sisters, Mrs. Dean Peterson of Godfrey and Mrs. Ellen Lenington, who is in the process of moving back to this area from California.

When Lee retires this year he plans to return to his farm in Carlinville, Ill., so he was presented with a collector's item, a bound edition of the 1876 issue of the Sears, Roebuck catalog. He also was given a scrapbook with all the activities recorded.

Also honored during the evening was Mrs. Vera Farrow, who was presented with a Life Membership in the PTA by Mrs. Kate Bailey, president. Mrs. Farrow is a third grade teacher at Nameoki school.

**Madison Ave. Collision** Autos operated by Joseph Hasquin of Gillespie and Janet M. Segar, 2235 Madison avenue, were involved in a collision at 8:20 a.m. yesterday in front of the Madison avenue address as the Segar woman was pulling out of a driveway.

# Rotary Club Hears District Governor

William Poppick, past Governor of District 648 and nominee for director of Rotary International, was the featured speaker at Tuesday's luncheon meeting of the Granite City Rotary Club in the YMCA.

Poppick spoke on the subject "Rotary, Its 64th Birthday," and gave a complete history of Rotary, the problems and accomplishments.

Warren Decatur, president, presided over the business meeting. After a discussion on the Modern Living Show scheduled for next May 23-25 at the Rink-Recreation Center at Wilson Park, Wayne Shelton, chairman, assigned further business contacts to the members.

Booths will be offered for \$80, without a choice of location, and \$100 for those who wish to select a special place. Any business or organization that has not been contacted and wishes to participate in the show may contact Wayne Shelton for reservation of booth or more information.

Prizes will be awarded during the three-day show.

# 3 Area Hearings Set by County Appeals Board

Three on-site public hearings on petitions for special use permits on land tracts in Nameoki and Chouteau townships are scheduled early next month by the Madison County Zoning Board of Appeals.

On March 5, a 9:30 a.m. hearing will be held on a petition of Richard Harris, owner of record, for a permit to commercially stable horses in an agricultural district in Chouteau township.

An on-site hearing is scheduled at 10:30 a.m. March 7 on petition of Robert Becker, owner of record, to rezone a tract of land in Nameoki township from Agricultural to B-3 Highway Business Zoning with a special use permit to place a mobile home on the same tract.

Also on March 7, a hearing is scheduled at 11:15 a.m. on the petition of Kenneth Just, owner of record, for a permit to place a mobile home in an Agricultural district in Nameoki township. The appeals board has scheduled a total of 16 hearings on the two days.

## FEWER HEART AILMENTS Among Granite City Pupils

City pupils are believed to be occurring, thanks partly to the throat culture program, which aids in preventing rheumatic fever. Grover J. Norwood (right), who reads the cultures to detect warning indications, is shown being honored at the annual Granite City Area PTA Council banquet Tuesday night. With him is Dr. Benjamin T. Rose, an Area Council officer and head of the 1969 Heart Fund drive.

# Reading Instruction To Be SIU-SW Topic

Reading instruction at the secondary school level will be the topic of a "drive-in" conference at Southern Illinois University campus March 11, it was announced today.

The sessions will begin at 4:30 p.m. and continue until 9 p.m. Registration will be in the Peck Classroom building. J. E. Sparks, reading consultant of Beverly Hills, Calif., will be the featured speaker.

The Reading Center at SIU-SW will sponsor the meeting. David E. Bear, director of the center, said registrations should be returned to his office by March 8. Total cost will be \$2.50 per person, including the evening meal in the University cafeteria.

# Smoke Scare at Store; Weed Fire on Edwards

Firemen were called at 10 a.m. Tuesday to Gasen's Drug store at the Nameoki Village shopping center where the store was becoming filled with smoke. Firemen discovered a short circuit in a fluorescent light fixture. No fire loss was reported.

A weed fire alarm was answered at 1:45 p.m. Tuesday in the 2800 block of Edwards street. No loss was reported.

# CYO Plans Rummage Sale

The St. Elizabeth Catholic Church Youth Organization will sponsor a public rummage sale Saturday from 9 a.m. to 5 p.m. in the 2800 block of Edwards street. Go toward financing a trip to the national CYO convention in Denver, Colo., next November.

## PTA LIFE MEMBERSHIP certificate being presented to Mrs. Twila McKinney, Granite City Area PTA Council president, Tuesday night by Lee Reid, principal of Frohardt school. Identity of the recipient was a secret until the presentation, which took place during the annual Area Council appreciation dinner, held at the Granite City high school cafeteria. Dr. Robert Russo of SIU-SW was the principal speaker.

# Mrs. McKinney, Norwood Are Honored by Area PTA

Mrs. Bob (Twila) McKinney and Grover J. Norwood shared honors at the 11th annual appreciation banquet of the Granite City Area Council of Parent-Teacher Associations Tuesday evening in the Granite City high school cafeteria.

Mrs. McKinney, 1371 Norwood drive, president of the Area PTA Council, was announced as the 1969 recipient of a life PTA membership for her long service to education.

Previously Area Council vice-president for two years, Mrs. McKinney has been active in the Red Cross and Second Baptist Church. She has headed hospital volunteer training programs and has led Sunday school, Young Women's Auxiliary and Adult Intermediate Girl's Auxiliary activities.

She was instrumental in formation of the Grigsby Junior high school PTA and in arranging meetings of University of Illinois parents in this area. An audience of 100 was told by Lee Reid, Frohardt grade school principal and chairman of the award committee.

Honored by Two Groups

Norwood, 4 Victoria drive, of the high school biology faculty, also was a surprise award winner. He was attending the dinner when he was honored by the Area PTA, and a plaque from Dr. Benjamin T. Rose, on behalf of the Illinois Heart Association. Dr. Rose is an Area PTA officer and is the current heart drive chairman in this area.

He was praised for voluntarily reading throat cultures, obtained from Granite City pupils with sore throats, to determine whether the youngsters should be treated to ward off rheumatic fever. In some instances, such an illness can damage the heart.

Highlights of the meeting, in addition to the principal talk by Robert Russo, SIU-SW associate professor of psychology, included a comedy sketch by parents and educators entitled "Harper Valley PTA."

The group staged a mock parent-teacher meeting, with humorous exaggerations of typical reports and comments.

Mrs. McKinney presided at the program, which followed a smorgasbord meal, and Rev. Paul Sims, pastor of Northhaus Methodist Church, offered prayer. A Valentine theme was used in decorations.

Treat Children as People

Dr. Russo stressed in his talk that children are people, and the best way to deal with them is the way that the parent would like to be dealt with as an adult.

He urged emotional security as an essential basis for other accomplishments, with such security as an essential basis for other accomplishments, with such security provided by consistent rather than unpredictable parental responses to the conduct of children.

"The harder we try to shape our children into what they are not, the farther they become from what we want them to be," he commented in suggesting that parents avoid conveying the impression that they expect attainments greater than the capability of a child.

While not opposing the trend toward specialized instruction, Dr. Russo said sound teaching remains the key ingredient. He said that bright, normal and slow pupils have much in common with each other, despite their obvious differences, and can profitably study in the same class.

Behavior Interpreted

A child who cannot learn to read well and yet maintains that he intends to become an aerospace surgeon is saying, in effect, that he is aware of his deficiencies but hopes someday to prove his worth as a person by becoming unusually successful in life, the professor noted.

A more difficult problem is posed by youngsters who win praise from their elders as "model children" but in reality have merely mastered the art of playing the various roles expected of them by adults. Dr. Russo said; unless they find their own identity, they will later experiment with extremes of conduct and may end by being institutionalized.

# Area History in Maps

# Prof. Learns Robert E. Lee Put End to 'Bloody Island'

Ask any area travel agent, "How far to Bloody Island?"—then ask Southern Illinois University faculty member William Baker.

The Southwestern campus geographer could give the correct answer to that question and scores of others concerned with landmarks in the Mississippi Valley of yesterday. He is now researching early maps of the Valley from Cairo to the northern boundary of Illinois.

"Bloody Island," he points out, "was located at the eastern end of Eads Bridge. In fact, the bridge was constructed from the island to St. Louis. A levee built under the direction of Robert E. Lee, when he was a young lieutenant, altered the river bank. Consequently, the land once referred to as Bloody Island is now a part of the Illinois shoreline."

Baker is interested in maps of the 18th and 19th centuries. He explains that map-making in the two centuries was greatly increased after the Civil War and maps of that post-war period are somewhat difficult to find, but they are still too numerous for an individual to deal with on a part-time basis.

Facsimile Atlas

A cultural geographer, his prime motive behind searching for old maps is a plan to compile a bibliography of maps from this time period. Then he hopes not only to have a list of maps, but to produce a "facsimile" atlas, using some of the hundreds of photographic reproductions he now has in his files.

Then too, as a result of his study, the SIU-SW professor plans to do some writing on the earliest days of St. Louis as a map-making center. Included will be documentation about the first American cartographers in the Mississippi Valley.

Another topic sparked by the map hunt is information about the first roads in the Mississippi Valley. Interesting to Baker are the detailed symbols used in the maps, noting the various types of fields, houses and trees.

Site of Duels

Oh yes, Baker remarked, Bloody Island was the site for numerous duels. It earned its name by default," he explains, "when the duelers sought a place, noting the city where the anti-dueling laws were not enforced."

Baker is an associate professor of the faculty of earth sciences at SIU-SW. His doctoral degree is from the University of Nebraska.

Currently he is on sabbatical leave, devoting full time to his research project. He resides in Alton.

## C. of C. Group Attends Meeting at Capital

Eight members of the Tri-Cities Chamber of Commerce attended the Economic Development Committee meeting held in Springfield on Tuesday.

Howard Colquh, manager of the Chamber; C. E. Blankenship, president; Ted Ellerman, Freeman Wolfe, Chester L. Baker and E. G. Schmitt, attended a noon Legislative Information luncheon, sponsored by the Chamber's Legislative Department at the Leland Hotel. The featured speaker was George Mahin, director of revenue.

C. E. Townsend and Carl Mathias, members of the Economic Development Committee, were present for the formal committee meeting held in the Leland Hotel. The featured speaker was George Mahin, director of revenue.

The Committee and the Illinois Association of Chamber of Commerce executives co-sponsored a reception and cocktail party for Ray Dickerson, the new director of the Department of Business and Economic Development from 4 to 6 p.m. at the Sangamo Club.

## BILLY H. TERRELL

### Terrell Honored for Million-Dollar Sales

Billy H. Terrell, general agent in Granite City, with the Franklin Life Insurance Co., Springfield, Ill., has been named to membership in the 1969 Franklin Million Dollar Conference, the company's organization of million-dollar-a-year sales and sales management leaders.

Special recognition for Terrell's conference membership will be made by Franklin Insurance President and Chief Executive Officer George E. Hatmaker at the firm's national sales seminar.

## Damaged in Venice

Damage to the left side and left rear of an auto driven by Wendell H. Porter, St. Louis, resulted from a traffic accident in the 900 block of South Main street, Venice, at 5:30 a.m. yesterday, Venice police reported. They said Porter was headed south on Main street, struck the curbing, sideswiped a utility pole and ran into a ditch on the west side of the street.

Their children as somewhat gifted, most children consider their parents a bit inadequate, the speaker commented; part of this attitude was attributed to failure to deal honestly and candidly with one's offspring.

He concluded that the key to persuading a child to listen to advice is to be willing to devote half of conversations to listening to the child, and also to "listen" by observing behavior as well as words.

## CUB PACK 73 BANQUET AT ST. ELIZABETH

Cub Scouts of Pack 73 and their families attended a "blue and gold" banquet Sunday afternoon in the St. Elizabeth school cafeteria.

Opening ceremonies were led by Mrs. Hedy Barth and Den Two. Their flag ceremony emphasized the American heritage.

Bob Turck, cubmaster, welcomed the gathering in celebration of the 38th anniversary of cub scouting. Fr. George Morelock and Fr. Lawrence L. Mattingly, pastor, offered prayer.

Receiving awards were Danny Dooley, Doug Williams, John Krokovich, Jeff Loftus, Jeff Lamb, Mark Neelich, Paul Evans, Mike Barth, Chris Barth, Richard Gragg, Donald Lucy, Joe Diester, Frank Orris, Ricky Rogers, Chuck Szepienick, Jeff Schrenk and Steve Brown.

Top candy salesmen announced were Rusty Homyer, first place, Richard Gragg, second, and Paul Evans, third.

All the dena sang "The Cubing Spirit." Announcement was made that the annual "pine-wood derby" will be held at the March 15 pack meeting.

Den Five conducted closing ceremonies under the leadership of Mrs. Dolores Schrenk. Decorations for the dinner featured traditional blue and gold colors and a "happy birthday" theme.

REVIEW SPRING PLANS

The Central Youth Fellowship met at Central Christian Church Sunday evening to discuss plans for the coming months. Duane Parrish, president, opened the meeting and a report was given on a weekend skating party held at the Stardust rink; a social followed in the Parrish home, 2544 Waterman avenue.

A hayride in March and a paper drive in the spring were discussed. Alma Cassey and Diane Turner conducted a worship service, meditation and circle prayer.

Others present were Scott Bell, Terry Hulse, Shirley and Lela Brokaw, Laura Hanson, Mary McCarty, Mary Beth Gordon, Greg Walker, Ernie Edwards, Rosie Hahn and the leaders, Mr. and Mrs. Jim Ash. Following adjournment, the group went to Dog-N-Suds for refreshments.

\*\*\*\*\*  
United Methodist Youth of grades 7-9 met at the Nameoki United Methodist Church Sunday evening for recreation night. Table games were enjoyed along with darts and table tennis.

Refreshments were served by Mr. and Mrs. Jack Luckert, leaders, to Patty and David Lathrop, Connie Bryan, David Luckert, Neil Seymour, Lari-Ann Tadlock and Laurie Gibbs. The group heard a talk by Dan Williams, student pastor from McKendree College who is also serving the Venice Methodist Church.

\*\*\*\*\*  
CHI RHO TO AID DRIVE

The Chi Rho of Central Christian Church met there Sunday evening to make plans to assist in the Easter Seal campaign March 9. Participants will be Janice Edwards, Judy Parrish, Patti Brokaw, Beverly Ed-

wards, Susan Turner, Donna Dorsch, Sharon Marcus, Vicki Leggett, Donna Chiappa, Matt Hanson, Jeff Hahn, Mark Gergus, Mike Wilmore, Jim Chiappa, Diane Parrish and Betty Deane.

Games were played and the group watched a movie on the life of Jim Chiappa, president, presided and Judy Parrish led the worship service. Peggy Barnes led the members in the Lord's prayer and devotions were presented.

The group will tour the planetarium March 1, with members to meet at the church for a sack lunch followed by their departure for St. Louis.

Refreshments were served by Vicki Leggett and Donna Chiappa. Mr. and Mrs. Don Lynn are the leaders. Rev. James Craddock, pastor, took part in a question and answer period.

## Madison Council Creates Auxiliary Police Force

An ordinance permitting the city of Madison to create an auxiliary police force of up to 50 members was adopted by the Madison city council Tuesday night.

The action was taken under state legislation, passed by the 78th General Assembly, which establishes stringent qualifications for all members of such an auxiliary unit, it was noted.

Mayor Stephen Maerz described the law as "the right step forward" in providing a backlog of qualified men who could be called upon in time of disaster or disorder to supplement the city's regular force.

Maerz told council members that as a member of the Illinois Cities and Villages Municipal Commission for the past several years, he participated in a number of hearings in which a need for such a system was shown.

Many communities do not have sufficient resources to employ a large full-time police force, he said, and for other purposes, will be as auxiliary policemen subject to all the qualification requirements and regulations, Maerz said.

The ordinance provides that the appointment of an auxiliary policeman may be terminated by the mayor at any time at the advice and consent of the city council.

The auxiliary officers will not be members of the regular police department of the city, but must be residents of the city to be eligible for appointment.

Badges or other identification worn by auxiliary officers also must be different than those used by the regular police department.

Performance of their duties will at all times be subject to the direction and control of the chief of police, the ordinance states.

**Regular Police Duties**  
Duties that may be handled by members of the new unit include traffic direction within the city, and aid in control of natural or man-made disasters or incivilities.

**Model Rocketry Group To Complete Charter**  
The Model Rocketry Society of Granite City will meet Tuesday, Feb. 25, at 6:30 p.m. at Prather junior high school to complete its charter membership for submission to the National Association of Rocketry (NAR). The program will consist of signing the charter register, electing officers and forming a bylaws committee.

All interested persons are being urged to attend.

Granite City will hold the only charter membership in southern Illinois in the NAR, whose sole purpose is the promotion of safety, learning and fun in the rapidly growing hobby of rocketry.

Just as model airplanes, the "modern" hobby of years ago, has grown to a science, art and skill, so is model rocketry growing and progressing, a club spokesman commented.

The NAR is aided by the NASA space agency and by prominent scientists.

John Hendrick of Granite City, a teacher at Prather junior high, is sponsor of the local group.

**Jesús Becerra, 69, Dies of Heart Ailment**  
Jesús Becerra, 69, of 1724 Poplar street, a native of Mexico, died at 8:40 p.m. Tuesday at St. Elizabeth Hospital of a heart ailment. He had been hospitalized for five days.

A resident of Granite City for 50 years, he retired four years ago from the American Steel Foundries where he had been employed for 35 years as a cormaker.

He was a member of St. Joseph's Roman Catholic church. His wife, Mary, preceded him in death in 1946.

Survivors include seven sons, Jesús Becerra of Miami, Fla., Louis, Robert, Raymond, August, Peter and Joseph Becerra all of Granite City; and nine grandchildren.

Funeral arrangements are given in today's obituary column.

Granite City PRESS-RECORD  
Page 12 Thurs., Feb. 20, 1969

They also may perform normal and regular police duties when assigned by the chief of police, and may "arrest or cause to be arrested, with or without process, all persons who break the peace or are found violating any municipal ordinance or any criminal law of the state," the ordinance states.

Auxiliary policemen also may

serve and execute warrants for the violation of municipal ordinances or state criminal laws within the city limits and "for this purpose have all the statutory power of sheriffs."

A major provision of the ordinance prohibits auxiliary officers from carrying firearms except with the permission of the chief of police, and then only when in uniform and in performance of their duties.

Each appointee is required by terms of the ordinance to take

a course of training in the use of weapons and other police procedure, the training to be provided by the police chief.

A minimum of ten hours of such training is required and the police chief, upon the completion of such courses, will file a certificate with the appointee's record attesting to completion of the course.

The measure provides payment of \$3 per hour of service, providing such service is assigned by the chief of police.

## Health Talk Tonight By GC Pediatrician

Dr. George Wilkins will speak on the topic "Communicable Diseases" tonight at 7:30 at the Tri-Cor medical building.

The sixth in a series of monthly health talks is sponsored by St. Elizabeth Hospital as a community service in the health field to better acquaint the public in this area.

His talk will be accompanied by slides and is aimed specifically at pediatricians. The public is invited to attend the free and informative program.

## County's Birthrate Up In First Month of Year

Madison county's birthrate soared during the past month, compared with January 1968, despite a drop in the number of sets of twins.

County Clerk Eulalia Hotz, who compiles vital statistics for the county, said today there also were increases in the number of deaths and in the number of weddings in January of this year, compared to January 1968.

The county birthrate last month totaled 302, including 154 boys and 148 girls and just one set of twins. In January 1968, there were 270 births with 137 boys, 133 girls and three sets of twins.

Last month's deathrate totaled 227 persons, compared to 192 in January 1968.

The number of weddings last month was 148, an increase of seven over January 1968.

## Geo. Gruenfelder III Is Surviving Son

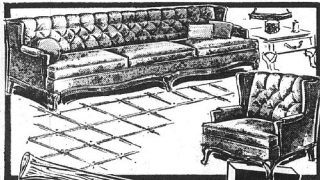

George Gruenfelder III of Madison is the surviving son of George Gruenfelder, Jr., 58, who died on Feb. 13. Other survivors include two daughters, Mrs. Douglas (Mary) Tester of Granite City and Mrs. Patricia Madison and eight grandchildren.

The late Mr. Gruenfelder was stricken at work with an apparent heart attack as he was preparing to leave after working the day shift. He was employed as a printer at the National Lead Co.

MISS CATHELEEN ANN ZENICK of Granite City, who is one of 13 coeds on the Carbondale campus of Southern Illinois University competing for the title of Miss Southern on April 18.

## Miss Cathleen Ann Zenick Is Miss Southern Candidate

Miss Cathleen Ann Zenick, daughter of Mr. and Mrs. Edward Zenick, 3226 Wabash avenue, is one of 13 coeds on Southern Illinois University-Carbondale campus who will be competing April 18 for the title of Miss Southern.

She is a sophomore elementary education major and is active as a member of Delta Zeta social sorority. She enjoys singing, playing the piano and water sports.

Miss Southern will be chosen by a panel of judges on the basis of poise, personality, talent, formal gown and swimsuit attire. The winner will advance to the Miss Illinois competition to be held in July.

## Cheerleaders Honored For Cage Season Chores

By SUSAN STERN

The regular scheduled games for the Venice high school basketball season will end tomorrow night. The cheerleaders deserve a lot of credit for keeping up the school spirit.

The varsity squad consisted of seniors — Marge McGarrahan, Linda Presswood and Karen Devany and juniors Edith Haults and Rosemary Daniels.

The junior varsity squad consisted of senior Mary Catherine Miller, juniors Connie Bosworth, Gloria Gardner and Linda Svezia, and sophomores Betsy Fields, Darlene DeLoach, a sophomore, was an alternate.

Marge is the daughter of Mr. and Mrs. Bill McGarrahan, 1226 Oriole street. This was her third year as a VHS cheerleader. Her sophomore year, she was on the JV squad. She has been a varsity cheerleader for the past two seasons.

Edie is the daughter of Mr. and Mrs. Ulysses Haults, 206 Harris street. She has been a varsity cheerleader for the past two seasons. She was also a cheerleader for three years in grade school.

Karen is the daughter of Mr. and Mrs. Henry Devany, 325 Jefferson street. This was her first year as a varsity cheerleader. She was on the JV squad in her sophomore year. She was a cheerleader in grade school.

Linda is the daughter of Mr. Charles Schweitzer, 2231 Lincoln avenue. Besides being a varsity cheerleader in her senior year, Linda was on the JV squad in her sophomore year. She was also cheerleader in grade school.

Rosemary is the daughter of Mr. and Mrs. Mickey Daniels, 531 Jefferson street. This was Rosemary's first year as a varsity cheerleader and she was on the varsity squad.

## 930 Attend DeMolay's Annual Chili Supper

More than 930 persons were served at the Masonic Temple or through carryouts as the DeMolays of James Stuart Chapter held their annual chili supper Tuesday night.

The Mothers' Club prepared the chili and served the supper with the help of the DeMolays. Homemade cakes and pies were made by mothers. Mrs. Bernice Fitzpatrick was general chairman.

At the regular meeting following the supper, Keith Darnier, master, councilor, and the advisory council expressed appreciation for the support of the public and plans for the 50th anniversary DeMolay Week, March 16-25, were announced.

The week will start with the chapter attending church Sunday morning, March 16. At the regular meeting Tuesday, March 18, the initiation degree will be conferred on a class of candidates.

The same day DeMolays from Granite City will be a part of the District 4 delegation on the Charlotte Peters House on Kevi Channel 2 commemorating DeMolay's 50th anniversary.

Dwayne Pitroch, the local chapter's junior councilor, is the District Master Councilor.

During the week, chapter ping pong, pool and chess tournaments will be held. On Sunday, March 23, the chapter members will attend a Jurisdictional Meeting in Jacksonville which will start with a devotional service and end with a bowling tournament in the afternoon.

## Youth Visual Problems Described for Council

The need to correct visual motor deficiencies at an early age and prevent more acute problems when a child reaches seven years of age and older was discussed yesterday afternoon by Dr. J. H. Schuchman at a meeting of the Quad-Cities Social Council.

The local optometrist presented a film developed for school testing purposes by the Illinois Department of Education, which explained that visual motor problems detected in children four-through-six years usually can be corrected.

He explained that visual motor problems can involve the inability of a child to translate what he sees to the brain. Some children are unable to copy letters and numerals and, in later years, the deficiency becomes difficult to treat as the problem reaches the remedial stage, he said.

Also present at yesterday's council meeting in the First United Presbyterian Church, was Mrs. Amelia Todd of the Regional office, Department of Health, Education and Welfare, Chicago. The HEW superintendent said her department is interested in comprehensive health planning and services, and that there are only three facilities in this area to study and recommend specific programs to receive federal grants through various government agencies.

## 3 Weeks Remain for Feed Grain Sign-Up

Lee Rogers of the Madison County Office warns farmers that there are only three weeks to take advantage of the 1969 Feed Grain and Wheat Program.

He urged farmers to take a look at their farm operation costs, the world grain supply, and outlook conditions on prices as they decide on their 1969 farming plans.

Rogers explained that the 1969 programs offer price protection through loans of \$1.33 for wheat and \$1.10 for corn. They can also earn Price support payments, Wheat Certificates payments and Diversion payments. This takes a lot of gamble out of the farming picture as well as cutting down on operating expenses. Come over to the County Office in Edwardsville and see how these programs can help you in your operation.

## Police Find Red Setter Pup Valued at \$300

A male Red Setter pup, valued at \$300, was found by police at 28th street and Madison avenue at midnight Tuesday and returned to its owner, Kathleen Stuart, 2220 Washington avenue.

The animal was reported stolen from a pen in the rear yard at the Washington avenue address at 9:30 p.m. Tuesday. A white man, described as about five-feet, eight-inches tall, weighing about 135 pounds and wearing a nylon jacket, who was found by the owner, is being sought by police.

TRUMP 307 HIKES TO NAMEOKI FIRE STATION  
Brownie Troop 307 met at Nameoki school, Sheryl Crick, with the leaders, Mrs. Leona Johnson, Mrs. Jane Lewis and Mrs. Dorothy Parker and hiked to the Nameoki fire station. During the tour, they viewed fire trucks and various equipment used by firemen.

After the return hike, a recreation period was enjoyed, with games followed by a song festival.

Cynthia Freeman, president, led the group in pledge and promise ceremonies. Roll was called by the scribe, Karen Osborn. The meeting closed as they departed through a Brownie tunnel.

Present were Lynette Beedle, Theresa Skinner, Theresa Parker, Diana Runch, Darlene Johnsenne, Cindy Palmer, Cynthia Skinner, Susan Lewis, Jackie Bileto, Debbie Schefke, Stephanie Walton, Sheryl Crick, Jane Dillard, Rhonda Hughes, Connie Acosta, Pamela Monroe and LaVonda Burman.

BRIDAL SHOWER HONORS MISS ELAINE PRUSAK  
Miss Elaine Prusak was honored with a miscellaneous bridal shower Sunday afternoon at the Long Lake firemen's hall, given by Mary Jean Knufinke. Ann Lengyel and aunts of the bride-to-be, Mrs. Emma Jacklich, Mrs. Esther Jacklich and Mrs. Julie Jacklich.

Extensive decorations were carried out in yellow, green and white, the colors chosen by the bride-elect for her bridesmaids' dresses and wedding theme.

Guests were seated at long tables covered with white linens and centered with arrangements of yellow long-stem roses in vases. Prizes were awarded.

The bride's table was centered with an artificial three-tiered wedding cake encircled with orange blossoms. A white linen cloth covered the table, with roped greenery detailing the front. Yellow candles in two candelabras completed the table decorations.

Miss Prusak was assisted in opening her gifts by three of her bridesmaids, Miss Mary Jane Hanacker, Miss Connie Von Eitzen and Miss Nancy Prusak, sister of the bride-to-be, and two junior bridesmaids, Miss Julie Jacklich and Angela Jacklich, cousins of the bride-to-be.

As the gifts were opened, a "bride's bouquet" was formed from the ribbons for Miss Prusak to keep by a bridesmaid, Miss Vickie Couch.

The gift table was decorated with an open umbrella decorated with rows of red nuptials and blue daisies.

A buffet luncheon was served at a table centered with yellow candles in holders.

Those present were Mesdames Ruth Orr and daughter, Marie Kucana and daughter, Mildred Shifter, Kathryn Flax, Mildred Lorraine Harris and daughter, Rose Paulos, Helen Sluzeka, Agnes Schennoffer, Mary Jane Knufinke, Judith Campbell, Dorothy Schardan, Diane Hoelter, Lucille Georgeoff, Mary Measick, Ann Geitz, Bobbie Frizzell, Mary Hemphill, Elsie Durborow, Edy Orr.

LT. COL. STEPHEN H. HAYES (right), who resides with his wife, Catherine, at the Granite City Army Depot, receives the Army Commendation Medal from Maj. Gen. Charles C. Case, commanding general, Army Mobility Equipment Command. Col. Hayes, a combat veteran of WW II, Korea and Vietnam with over 27 years service is assigned as secretary of the General Staff at MECOM. He earned the award for service as the Army Materiel Command Project Officer and Director of the Mobile Electric Power Field Office, St. Louis. He was cited for his successful efforts in meeting a critical need in Vietnam for electric power. His actions met high priority requirements providing generator power for the field Army and the Armed Forces deployed in South Vietnam totaling over 240 thousand kilowatts, exceeding the installed power of the city of Cleveland, Ohio.

## Supervisors Override Appeal Board Action

The Madison county board of supervisors overrode a recommendation of the county's Zoning Board of Appeals in its regular meeting at Edwardsville yesterday, denying a request for a special use permit to establish a motor freight terminal on old Route 66.

The request for the permit was rejected following a 30-minute discussion in which several persons for and against the proposal outlined their views to the board and a majority of supervisors expressed their opposition.

The permit, which the appeals board had recommended be granted with certain stipulations, was turned down by a roll call vote of 32 to 10.

**Resolution Laid Over**

In other action the board laid over until next meeting a resolution proposed by Board Chairman Harold Landolt putting Madison county board on record as opposing Illinois legislation that would make it mandatory to hire a superintendent of assessments in 100 Illinois counties, including Madison.

Adoption of the resolution was delayed when it was pointed out some supervisors wanted to study the proposed state law in more detail. The legislation was introduced in the General Assembly several weeks ago. It exempts Cook county and St. Clair county which operates with an elected board of assessors and an elected board of review.

In another action, board members confirmed appointments by Landolt of three members of a Merit Commission to develop a program for changeover of employees of the sheriff's office to a merit system.

**Named to Commission**

Landolt appointed Raymond Galloway of Alton and Martin C. Schaefer of Edwardsville, both members of the county board, and Joseph Gruenfelder of Highland as a citizen member.

The board also confirmed the re-appointment by the board chairman of Leo Jackack of Troy to a new five-year term on the County Zoning Board of Appeals. Landolt also named Clyde Donham, former Wood River township supervisor, to a four-month term on the appeals board to serve for board member Russell Spann, who is to leave on business.

On a motion by Arthur "Cooper" Moore, supervisor of Venice township, the board authorized the road and bridge committee to call bids for a roadway on Arlington Heights road. Moore said a recommendation for a contract award will be made in the next board session.

The board authorized plans for renovation of the office occupied by the superintendent of schools into a court room, and authorized the road and bridge committee to seek additional bids for supplies needed for rural zoning and chatting later this year.

**Allot Mental Funds**

A request by the Mental Health board for its quarterly allotment of operating funds was approved for a total of \$65,830, of which \$27,000 was for the Quad-City Mental Health Center. An amendment to the budget providing \$1000 for furnishings for the county superintendent of schools also was approved. A claim for \$1894 for T. J. Tysdale Co. of St. Louis for repairing locks at the county jail was approved.

A resolution to amend the ap-

propriation for the Veterans Commission Fund, adding \$5000 from the working cash fund, was approved, as was a resolution loaning \$11,000 from the working cash fund to the Maps and Plats Department.

In the dispute over granting of the use permit several board members sided with objectors that construction of a motor freight terminal at the proposed location would devalue business property in the area, although Jack Clifford, director of the Building and Zoning Department, said the terminal at that point was to serve only as a transfer center.

The terminal was proposed for location on old Route 66 one-quarter mile east of Route 3, on the south side of the road in Chouteau township. Motel operators in the area presented the principal objections, Clifford said.

**Recommended Permit**

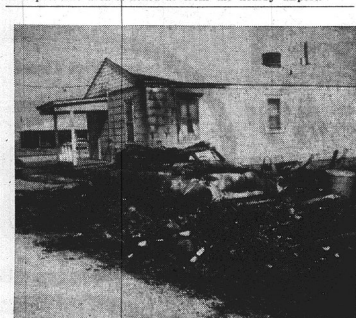

The appeals board had recommended issuance of the use permit on a petition by Harry F. Teepee. The area is zoned as

a B-3 Highway business district. The appeals board recommended issuance of the permit with stipulations that no flammable or highly dangerous material be stored or parked overnight on the property.

Supervisors did approve, however, a second request by Teepee for a special use permit for another motor freight terminal point on Chain of Rocks Road, also a B-3 Highway business district in Chouteau township. The same stipulations were applied in that case.

The county board approved 12 other appeals board recommendations in other cases. These included a petition for rezoning a tract of land from Agricultural to M-2 General Manufacturing on petition of William and Alvina Bruns, owners of record, and the L.E.F. Corp. The tract is located on Route 111 north of the Lakeside Airport.

The rezoning provided that no buildings in excess of 35 feet in height be constructed on the tract because of flight patterns from the nearby airport.

**GARAGE AND AUTO DESTROYED** in a blaze about midnight Monday at the home of Mr. and Mrs. Dickie Joe Brooks, 2640 North street, resulting in a loss estimated at \$1000. The family was unable to secure the services of any fire departments in the area. The home is in the Benjamin Addition, outside the city limits.

## Door-to-Door Solicitation Sunday for Heart Campaign

Sunday will conclude the activities for the fund-raising projects held this month in observance of "Heart Month," by the Illinois Heart Association, with the residential canvass being made in the Quad-Cities. Mrs. Laura Freche, chairman for the Venice area, will lead the canvass with volunteer mothers in the community. She is a past president of the Venice Junior Service Club and third vice-president of the Illinois

Federation of Women's Clubs. Mrs. Pat Polley, chairman for the Granite City and Mitchell area, expects to have 600 volunteer mothers helping in the door-to-door collections. Mrs. Polley is a past president of the Area Council and is presently a candidate for town clerk of Chouteau township. The Madison drive will be led by Mrs. Patricia Petrosky with the aid of the Mothers Club of Harris school and will take place on Friday evening.

## Labor to Screen Candidates For Endorsements

Candidates in the April 1 Granite City municipal, township and park district elections who are seeking labor endorsement of their candidacies will be screened by the Legislative Committee of the Tri-City Trades and Labor Council Saturday, it was announced today by Edwin Reiske, council secretary.

Interviews will be held in Hall 3 of the Labor Temple beginning at 7:30 a.m. Saturday, Reiske said. The committee hopes to complete its interview sessions by noon. Reiske said all candidates seeking labor endorsement should appear during the interview period.

Members of the committee to do the screening include Vasil Mihov, president of Local 16 of the United Steelworkers of America; George Becker, representative of the USWA; Don Parmenter of the Firefighters Union; George Wetzel, president of Laborers Local 397, and Gene McGovern of Carpenters Local 633.

Arrangements to endorse candidates in the local elections were discussed by 31 delegates at a meeting of the Trades and Labor Council in the Labor Temple last night, in which the delegates also decided to seek adoption of a "anti-strikebreakers ordinance" in Madison and Venice.

Reiske said neither community has such an ordinance. Granite City, however, has an ordinance which prohibits commercial and industrial firms from importing outside help during strikes.

## Paddlers, Inc. Elect Gitchoff as President

Andrew Gitchoff was elected president of the board of directors of Paddlers, Inc., Wednesday evening at a meeting held in the library of St. Elizabeth Hospital.

While in Fieldon, Gene Pohlman celebrated his fifth birthday. He had shared valentine Echos with his classmates at the YMCA pre-school in observance of the event.

## WORLD FRIENDSHIP AWARDS TO BROWNIES

Brownies of Troop 1156 of Lake school met Tuesday afternoon in the school kindergarten room with Mrs. Mary Lou Hudson, troop leader, in charge. After having completed the required number of hours of studying world friendship, the girls were presented with world friendship pins.

A new study series, "Discovering Our Community," was begun. It was decided that the troop will take part in tours, beginning with the first station, A and P food store and the Mister Donut shop. Other tours will be arranged.

In a handicraft class, the girls made George Washington hats. On Feb. 23 at the Madison community center, area Brownies will meet for "Thinking Day," and each troop has been asked to send representatives. Representing Troop 1156 will be Dana Buer and Robin Lorenz.

Brownies answering roll call Tuesday were Julie Adams, Dana Buer, Shari Christ, Vicki Gantner, Cindy Garker, Brenda Hudson, Kendall Lucas, Marsha Madison, Susan Parker, Shelly Pohlman, Judy Seifried, Lisa Steele, Cheryl Stagdill, Roma Underwood, Carole White and Robin Lorenz.

## FAREWELL DINNER FOR DWAIN BROWNES

Mr. and Mrs. Lynn Hester and daughter, Amy, 64 Karen drive, attended a pot luck dinner Sunday afternoon at the club house at Holiday shores near Edwardsville.

The dinner was in honor of Mrs. Hester's brother, Dwain Browne, who recently enlisted in the Marine Corps and who left Wednesday morning for the San Diego Marine Base for his basic training.

Decorations were done in red, white and blue. White-covered tables were centered with streamers in these colors, and American flags were placed at intervals down the streamers. Games were played and prizes were awarded to many in attendance.

Others attending the gathering included Mr. and Mrs. Robert C. Bridges, his parents, and Mr. and Mrs. Walter Bowles and children, Donald, Mary Lou and Tammy. Mr. and Mrs. Ernest Kearn, Mr. and Mrs. Lacy Ricks and Mrs. Kevin Ricks and Miss Debbie Wallace, all of Granite City.

Also present were 16 residents of Collinsville, Edwardsville and Charleston, Mo.

## Girl Scout Thinking Day Program Set for Sunday

"Thinking Day," an observance of all Girl Scouts and Girl Guides throughout the world, will be held locally Sunday from 1:30 to 3:30 p.m. at the Madison Recreation Center for the five neighborhoods in District 4. All scouts and their parents are invited to attend the program when all scouts stop on the one day to think of their sister scouts in World Association.

Feb. 22 is the official date set for the observance as it is also the birthdays of Lord and Lady Baden-Powell of England. The program started the Boy Scout and Girl Guides movement. Lady Baden-Powell will observe her 80th birthday on this date.

### BRIDAL SHOWER FOR MRS. DIANE BIGGS

A miscellaneous bridal shower in honor of Mrs. Diane Biggs was held Sunday afternoon in the home of Mrs. Helen Frazier, 2832 Lincoln avenue, who was assisted by Mrs. Marge Frazier, Mrs. Emma Portell and Mrs. Leann Campbell.

The house was decorated throughout with white crepe streamers and wedding bells.

The dining table was centered with a large cake topped with a miniature bride and groom. At each place setting was a marshmallow "ring box" with wedding band. The gift table carried out the bridal theme.

Following opening of the many gifts, games were played and prizes were won by Mrs. June Parsons, Mrs. Kay Sykes and Mrs. Nettie Coons.

A dessert luncheon was served by the hostesses to the prize winners; the honoree's aunts, Mrs. Mary Jane Biggs, Mrs. Patsy Biggs, Mrs. Theima Zimmerman and Mrs. Delma Minton; the groom's mother, Mrs. Imogene Biggs; and Mesdames Chin Thomason, Marie Wilson, Joan Plebanek, Sharon Pratt, Cheryl Leonard, Gaye Hannah, Sharon Fife, Pauline Dawson, Helen Slay, Barbara Campbell, Beulah Ross, Helen McKeehan and Dolores Sanders.

and Misses Judy and Janice Biggs, Anna Leonard, Debbie Biggs, Carol Ann Biggs and Patricia and Barbara Frazier. Mrs. Biggs, the former Miss Diane Converse, a daughter of Ferrel Converse of St. Louis and of Mrs. Amelia Converse, 2702 Kirkpatrick Homes, was married to Timothy Biggs, son of Mr. and Mrs. William Biggs, 2525 Lincoln avenue, Feb. 8 in St. Louis.

The young couple attended local schools and Biggs is employed with hoisting engineers in Ballwin, Ill.

### CAMPOUT BY TROOP

Junior Girl Scout Troop 275, sponsored by the Niedringhaus PTA, returned Sunday afternoon with the leaders, Mrs. Jo Ann Jarrett and Miss Linda Polette, from a weekend of camping at Camp Lakota. The group was accompanied by Earl Jarrett.

A valentine party, planned by Beverly Edwards, Mary Earls and Mary Beth Hillmer, was held, with Mrs. Stanley Edwards as guest. The troop enjoyed hiking around the campsite and also took a flashlight hike, saw rabbits and viewed deer tracks in snow. A song festival was held around a fire place.

The members continued work on the toymaker badge and made stuffed animals which will be donated to a charitable organization. They learned a rope game, "double Dutch."

While at the camp, each girl helped prepare and serve a meal. Providing transportation were Mr. and Mrs. Eugene Forabee, Mr. and Mrs. Jarrett, Mrs. Stanley Edwards, Mrs. Willis Speirs, Mrs. Marvin Brokaw, Miss Sherrie Palette, Theodore Macios, Earl Earls and Kendall Hillmer.

**ARTISTS AND MODELS.** Members of the Elite Hairdressers and Cosmetologists Association, Affiliate 33, and four of the 31 models who participated this week in the annual "Fashion and Hair Style Show" at the Venice-Madison American Legion. From left to right—Brenda Roderick, Judy Broshow, Judi Holland, Sue Cook, Donna Duvall, Irva Hughes and Gisela Lerch. Mesdames Broshow, Hughes and Cook created the hair styles. About 400 persons attended.

Campers were Mona Callis, Lynda Diak, Mary Earls, Beverly Edwards, Genia Forhee, Ruth Ann Geggus, Mary Beth Hillmer, Pam Brokaw, Donna Macios, Janet Parker, April Speirs, Becky Brokaw, Kathy Polette, Sherrie and Terrie Patrick and guests, Mrs. Charlene Parker and daughter, Denise, Patti Branch and Patti Jarrett.

At the campsite, the scouts held a valentine party, with games and refreshments under the direction of the Banana Split patrol. The Funny Company patrol entertained with plays and made "some-mores."

During a badge workshop, the members worked on the troop camper, "my troop," art in the round, foot traveler, "our community" and world games badges. Mrs. Dutton conducted a Sunday religious service and the scouts learned to fold a flag.

Making the trip were Lisa Camp, Kelly Cottrell, Leslie Courrier, Teresa Cox, Susan Davis, Debbie Dutton, Becky and Shelley Edwards, Debbie Grady, Karen Hoover, Cindy Hunt, Susan Kelly, Vicki Kelley, Janet Koempf, Christi Kramer, Dorothy Mann, Sandy Miller, Carla Morris, Paula Mullins, Kathy Nunn, Vickie O'Sha, Linda Painter, Linda Parish, Vickie Presswood, Lisa St. Clair, Robyn Sides, Lisa Smith, Donna Stout, Kim Page and Carolyn Wilson.

### MRS. LINDA HOGAN ENTERTAINS CLASS

The Seekers Bible class of Grace Baptist Church held its February meeting in the home of Mrs. Linda Hogan, 2817 Saratoga avenue, Monday evening. The president, Miss Gay Woodson, presided.

The secretary, Mrs. Hogan, reported on the January meeting and the class held a discussion on prayer meetings and the changing of group leaders. The ladies repeated the class motto from Luke 12:31 and sang the class song, "Have Thine Own Way, Lord."

Mrs. Linda Hutchings gave the devotional for the month from the book of Mathews. New class books, made by Mrs. Hogan, were distributed and it was decided to take copies to absent members.

The meeting adjourned for a social hour and prizes were won by Mrs. Ruth Ann Dillard, Miss Woodson and Mrs. Hutchings. Mrs. Fran Carey, teacher, led closing prayer and a dessert luncheon was served by the hostess.

The March meeting will be held at the home of Mrs. Carey, 1622 Lindell Blvd. The time and date will be announced later.

Miss Debbie Campbell, a cousin, assisted at the sixth birthday party of Davis Thomason, 2557 Lincoln avenue.

## 50 to Attend 4th Annual Recreation Day March 1

About 50 young people representing the Granite City park district will compete Saturday, March 1, at Highland, in the Southern Illinois Park and Recreation Association's annual "Recreation Day" program. Harold Brown, GC superintendent, announced this week. This year, delegations from eight Illinois communities will participate in the "fun-day" sports event, won in 1968 by Centralia. The program was started in 1966, with Granite City youths winning the team championship trophy the initial two years.

Those participating from here will vie for individual and team honors in bowling, volleyball, table tennis and similar contests. More than 400 young people are expected to take part in the day-long program, Brown said. The day-long program, Brown said, was won in 1968 by Centralia. The program was started in 1966, with Granite City youths winning the team championship trophy the initial two years.

### Fire Destroys Materials In Plant Oil Meal Hopper

A blaze in an oil meal hopper at Union Division of Miles Laboratories at 8:15 p.m. Tuesday destroyed about ten tons of material, a spokesman for the company said yesterday. He said that no equipment was damaged nor plant personnel injured by the fire, which was extinguished in 35 minutes by firefighting units from the Main and West Granite stations. Cause of the blaze has not yet been determined, the spokesman said, adding that value of the destroyed material likewise has not been estimated.

## Fashion Show Topic of Club

The Granite City Junior Service club met Monday evening at the civil defense building and discussed a variety of plans for the coming months. Mrs. Wilma Edgington, president, conducted the business session.

The club voted to contribute \$25 to the current Heart Fund campaign, and was thanked by the Madison County Mental Health Association for a contribution to a Christmas program for outpatients at Alton State Hospital.

A letter of thanks also was received from a lady whom the club sponsored at a practical nursing school. She received a final grade of 93% and was voted an "outstanding student in clinical experience."

Mrs. Geri Gavlick reported on final plans for the fashion show to be given by the club March 2 at 2 p.m. at the SIU-SW ballroom. Tom Lewis, a St. Louis radio and television entertainer, will serve as commentator.

Plans were made to continue the annual flea market as a fund project.

Mrs. Phyllis Stieb will serve as chairman of a mother-daughter banquet in May. Mrs. Edgington read a poem entitled

Mrs. Jean Barnes was hostess to Sarah Jane McEvers Tent 90, Daughters of Union Veterans of the Civil War, last night. Mrs. Golda Mohrman, president, was in charge and there was a discussion of plans for a rummage sale in the near future. Delegates were also named to the Department convention to be held in Chicago in June. They are Mrs. Barnes, Mrs. Nan Shone and Mrs. Bertha Berry, with Mrs. Betty Milwee, Mrs. Lucy O'Neill and Mrs. Opal Loefer as alternates. Committees were appointed and a patriotic program was given. Mrs. Gussie Chestman had a reading on Lincoln and a George Washington prayer was read by Mrs. Sylvia Turner.

"Which Are You?" which the club voted to insert in its yearbook.

Hostesses announced for next month are Mrs. Margaret Hornberger, Mrs. Sandy Jones and Mrs. Mary Schaffner. A home-made article will be made by Mrs. Sandy Tilkins.

Home-made articles for this month was a cake plate made by Mrs. Stieb and received by Mrs. Eva Burns. Hostesses were Mrs. Tilkins, Mrs. Mary Watkins and Mrs. Marilyn Bodman.

## 1949 Class Seeking 10 Prior to Reunion

Plans are being made by the June 1949 graduating class of Granite City high school in a 20-year reunion July 19 at Fischer's restaurant in Belleville.

Anyone knowing the addresses of Wilma Jean Arnold, Mrs. Pat Dunn Huth, Melba Ferguson, Bill Hawkins and Jim Williams is being requested to contact Mrs. Julia Hedges Portell, 931-2429, or Mrs. Sara Watts Metcalf, 877-6772. Letters will be mailed to all class members at a later date with complete information so that reservations can be made. Anyone knowing the addresses of five members of the June 1949 graduating class are to call Mrs. Jo Ann Ward Kraus at 931-3472.

Members not yet reached are Dave Garrison, Robert Newbold, William H. Murphy, Floyd Richardson and Martha Sheets.

## Throw Bottle at Window

William Dallas, 2001 East 20th street, told police at 8:40 p.m. yesterday that vandals, believed to be driving a red 1962 automobile, threw a beer bottle at his home and broke the front plate glass window on the south side of the building.

## Registering Dates Set for SIU-SW

Persons interested in application, enrollment or registration at Southern Illinois University-Southwestern campus will find the Registrar's offices now located on the first floor of the new general office building.

These offices are the first to be moved into the new building, which is located just east of the University Center.

According to Registrar Robert M. Bruker, open registration at the Southwestern campus begins March 12. Before that date students may register for the spring quarter only by appointment.

Students who plan to take classes this spring, but who are not enrolled during the winter quarter, will need to be readmitted to the University before registration.

The spring quarter begins March 26 and runs through June 10.

## \$4.8 Millions Recovered Under U.S. Wage-Hour Law

The Wage and Hour and Public Contracts divisions of the U. S. Labor Department recovered \$4,802,593 in minimum wage, overtime and equal pay underpayments due 16,462 Illinois workers during 1968, it was reported today.

The underpayments were determined as the result of 1968 investigations under the federal wage and hour law of the Fair Labor Standards Act, according to Gerald J. Mitchell, regional director of the divisions at Chicago.

Mitchell said a breakdown of violations showed \$4,066,516 in overtime pay, \$630,367 in minimum wage violations and \$105,710 due under equal pay provisions. In addition, he said, 304 minors were found illegally employed.

**Filed 221 Cases**  
 Labor department attorneys filed 221 legal cases in U. S. District Courts to obtain permanent injunctions against employers to prevent further violations, Mitchell noted. He said 13 contempt actions also were taken against employers who failed to comply with terms of the injunctions previously entered by the courts, as well as one case involving criminal violation of the law.

During the year, he said, 13 formal hearings were held to enforce the health and safety provisions under the Public Contracts Act.

At the regional level, Mitchell said, the divisions found \$9,323-

153 in unpaid minimum and overtime wages due to 38,345 workers in Illinois, Indiana, Minnesota and Wisconsin during the 1968 calendar year.

Mitchell reminded employers and workers of the minimum wage and overtime pay changes that became effective Feb. 1, under which employees who were brought under the Act by 1966 amendments are now entitled to \$1.30 per hour instead of the \$1.15 required during 1968.

**Overtime Pay Required**  
 These employees must be paid for overtime at the rate of one and one-half times their regular rate after 40 hours work in one week instead of 45 hours. Employees whose work was covered by the Act prior to the 1966 amendments continue to be subject to a minimum wage of \$1.60 per hour and overtime pay after 40 hours.

Mitchell emphasized that about 1.5 million additional employees of newly-created enterprises became subject to the law in 1968.

Employers and employees may obtain further information from the Chicago regional office located at 219 South Dearborn street, telephone 312-353-7246, and a Central Illinois office located at 101 South Fifth street, Springfield, Ill., telephone 217-525-4060, extension 61.

## Opening Prayer, Salute For GC Council Sessions

A return to the procedure of opening city council sessions with a prayer was recommended at Monday night's Granite City session.

Alderman Boyd said he had received a letter suggesting council sessions be opened with prayer and a salute to the flag, and that a number of people had signed the letter.

The council had adopted the procedure a number of years ago, and Mayor Partney recalled that it had been started, but the difficulty was encountered in getting a minister or priest to each meeting.

Council members voted approval to Boyd's motion to revive the practice.

## GC Twp. Reports Show Balances

Monthly township financial reports were submitted to Granite City council members Monday night by Supervisor Nelson Hagnauer and showed balances for all three township accounts.

In the general assistance fund, the Jan. 31 balance was \$77,837, after disbursements of \$10,521 during the month; while the town fund balance was \$27,700, with disbursements during the month amounting to \$2,000. The township issued a \$25,000 tax anticipation warrant for the town fund.

The retirement fund balance was \$10,311 on Jan. 31, with disbursements amounting to \$712.

Current disbursements approved by the council as the town board of auditors amounted to \$438 for the town fund and \$612 from the general assistance fund.

**Intersection Collision**  
 Auto operated by Stuart Evangelina of 2265 Cleveland blvd., and Virginia Ahrens of 211 Briarwood collided at the intersection of 25th and Adams streets at 7:55 a.m. Tuesday. Damage was reported to both vehicles.

**Muffler Violation**  
 Charged with operating an auto with an improper muffler at Namecki road and Jill avenue at 12:25 p.m. Monday, Philip L. Martin, 19, of 4005 Breckenridge lane, was told to appear for a hearing by Feb. 28.

## Enrollment Now Open in Hospital Pre-Natal Class

The third session of the pre-natal instruction classes offered by St. Elizabeth Hospital for prospective parents will begin on Tuesday, Feb. 25, at 7:30 p.m. at the Tri-Cor Medical building.

Movies of the five classes will have a different topic. They are "Before the Baby Comes," Feb. 25; "Your Way of Life During Pregnancy," March 4; "Labor and Delivery," March 11; "Care of the Baby," March 18, and "Your Diet During Pregnancy," March 25.

A hospital dietitian will be present at the final class to discuss nutrition during pregnancy and after delivery, followed by a tour of the maternity department.

Anyone interested in attending the classes, both husband and wives are welcome to attend. Anyone interested in attending the classes may make arrangements by calling St. Elizabeth Hospital, 876-2020, Ext. 314, from 8 a.m. to 4 p.m., Monday through Friday.

## Jungle Patrol Member Promoted in Vietnam

William A. "Buddy" Hull Jr., a member of the 199th Light Infantry Brigade jungle patrol in Vietnam, has been promoted to specialist fourth class, according to word received recently by his parents, Mr. and Mrs. William A. Hull sr., 2504 Edwards street.

The serviceman entered the Army in April 1968 and was assigned to Vietnam last September. He is a 1966 graduate of Granite City high school and was employed by the Granite City park district before joining the Army.

Mrs. Hull said her son recently spent a week's R&R leave in Japan and wrote home to say he really enjoyed the cold and snowy weather after the above 90-degree temperatures of Vietnam. "When it started to snow, I ran outside the hotel and scooped up some. People looked at me as if I was crazy," Sp4 Hull told his parents.

## Heart Fund Promotions--Matinee and Ice Skating

Continuing the month's activities in the fund-raising drive by the Illinois Heart Association will be two promotional events this Saturday, Mrs. Twila McKinnis, special events chairman, announced today.

A matinee at the Washington Theatre will begin at 10 a.m. Tickets may be purchased in advance for 50 cents for both children and adults from any of the volunteer mothers or at the door the day of the performance.

An ice skating session at Wilson Park rink for high school students and adults will be held Saturday evening, from 9:45 to midnight.

Members of the Roca Club, under the leadership of Rick Cardwell; Tri-Hi Y clubs with Candy Bisconti assisting and Rene Bailey as an independent teenager, will be selling tickets for 35 cents each. A misprint on the tickets announce the time of opening to be 9 p.m. instead of 9:45 p.m. Skates may be rented at the rink.

All proceeds will go to the Heart Fund.

Also in progress this week is a bowling tournament at both the Tri-Mor and Bowland lanes each evening.

## City Negotiating Committee Named

Indication that the city council plans early completion of contract negotiations with unions representing city employees was given Monday night when Mayor Parvinty named Alderman Richard Fry to the negotiating committee.

Fry, whose four-year term expires April 30, is not seeking re-election. Others named to the committee are Aldermen Charles W. Moerlein and Emerald Dawes.

Agreements with city employees expire May 1, and several unions already have advised the city they want to reopen the contracts.

## No Valid Registration

Robert W. Smith, 2008 Missouri avenue, was booked at 1:45 p.m. Monday at Maple and St. Louis streets, for operating a vehicle without a valid registration. He is to appear in court by Feb. 28.

## Sales Gains in Six A. O. Smith Mfg. Areas

Sales gains were posted in 1968 by six out of seven A. O. Smith corp. major manufacturing areas, according to the Milwaukee-based company's annual report, which for the first time shows comparative sales totals by product line.

Automotive sales -- the company is the nation's major producer of automotive frames -- totaled \$171 million in 1968, compared with \$154 million a year earlier. Automotive volume represented 46% of total company sales, down from 47% in 1967. Sales of all other products totaled \$202 million last year, against \$176 million in 1967. The firm's local plant is in the automotive division.

The diversified firm had reported earlier that its 1968 sales reached a record \$377,707,673, and that profits rose 21% to \$1,642,613, or \$4.68 a share. In 1967, sales were \$329,976,263, and earnings were \$9,627,397, or \$3.87 a share.

In addition to the automotive increase, sales gains were achieved by the company's Meter Systems, Electric Motor, Consumer Products and Tubular Products divisions, and by its subsidiary, A. O. Smith Harvestore Products, Inc. Meter Systems sales went to \$20 million in 1968 from \$16 million in 1967; Electric Motor, to \$34 million from \$32 million; Consumer Products, to \$28 million from \$25 million; Tubular Products, to \$51 million from \$34 million, and Harvestore, to \$25 million from \$24 million. A general decrease in the demand for electrical control products caused sales to decline from \$29 million in 1967 to \$25 million last year for the company's Clark Control division.

All other products, which include powder metal, electronic systems, reinforced plastics, and railroad products, totaled \$10 million in 1968, against \$16 million a year earlier.

## Divorce Decrees Awarded to Six Area Residents

Six divorce decrees have been granted Quad-City area residents following circuit court hearings in Edwardsville, court records showed today.

Leola Williams of Venice was awarded a divorce from Charles Williams in a hearing before Circuit Judge Joseph Barr, who granted custody of two children to the plaintiff. They were married Nov. 30, 1956, and separated Nov. 18, the same year, according to the decree. The issue of support was reserved until a later date. The complaint charged cruelty.

Betty Joe Culpin of Granite City was awarded a divorce from Dale George Culpin on a charge of mental cruelty. They were married March 22, 1968, and separated Nov. 18, the same year, according to the decree.

Irving Carroll Simmons of Venice was awarded a divorce from Dorothy Virginia Simmons on a charge of desertion. He was given title to family real estate at 1044 Third street. They were married Oct. 21, 1967, the decree states.

## Given Custody of Child

A decree granting divorce to Beverly Coulter of Granite City on a mental cruelty charge against Jay Coulter was awarded by Judge Barr. He also gave the plaintiff custody of one minor child and ordered the defendant to pay \$20 per week toward the child's support, as well as medical and hospital bills. The decree states they were married Dec. 19, 1967, and separated Nov. 31, 1968.

Circuit Judge William L. Bentley awarded a divorce decree to Eva Starr of Granite City against Marion Starr Jr., on a charge of desertion. The couple was married Aug. 13, 1955, and separated Aug. 12, 1967. Custody of one of the couple's six children who still is a minor was awarded to the plaintiff.

A divorce decree and custody of a minor child was awarded Janice Kay Littlejohn of Madison, in proceedings against Virgil Littlejohn before Judge Michael Kinney. The couple was

## Eleven Changes in Driver License Law Suggested

Eleven major changes in the present Drivers' License Law have been recommended at Springfield by the Citizens Advisory Committee on Driver Licensing to Secretary of State Paul Powell.

Powell, in accepting the committee's report, said the necessary bills will be prepared and presented to the current session of the General Assembly. The committee was appointed by Powell about a year ago and spent eight months in studying present laws and developing recommendations for improvement.

Among recommendations included in the report is one providing that a person who has completed an approved driver education course be allowed to practice drive with their parents or any other person who is 21 or older and who has had a drivers' license for at least one year.

The committee also urges upgrading of the written examination for license applicants and an educational program to make physicians aware of the need to report persons whose physical condition would impair their driving ability.

The recommendations also suggest a regulation providing that any person who has had two license suspensions and then has three violations within one year have his license revoked.

## Strikes Parked Auto

Mrs. Ella R. Miller of 137 Trochler lane, was booked for careless driving at 3:55 a.m. Tuesday after the car she was driving struck a parked auto at 2522 Benton street, belonging to Phillip Sykes of that address. She is to appear for a hearing by Feb. 28.

married March 21, 1964, according to the decree which also orders the defendant to pay \$50 per month for support of the child. Mental cruelty was charged.

## Illinois Rated Tops In Soft Coal Reserves

The greatest reserve of bituminous coal in the nation, 140 billion tons, is beneath Illinois soil.

Three major areas of relatively low-sulfur coal are in south-central, southwestern and southeastern Illinois. "Sulfur in Illinois Coals" or Circular 432, published by the Illinois State Geological Survey, estimates the reserves and reports on their suitability.

## Salvation Army Advisory Board Re-elects Officers

Members of the Salvation Army advisory board were re-elected for another term of office at a noon meeting, Monday at the Grand Cafe.

Those elected were Edward Stone, chairman; Richard West, vice-chairman; Arthur Harris, secretary; and Roy Lynn, treasurer.

Board members re-elected for three-year terms were Claude Echols, Arthur Harris, Albert Michel, Lavern C. Parker, Christ Pashoff, Lester Salem, A. C. Stoeve, Mrs. Elvira Thurber and Charles Zeugin.

Chairmen and committees appointed include: Finance, Richard West, chairman; and Albert Belt, Fred Cunningham and Fred Schuman; Youth committee, C. E. Blankenship, chairman, with Robert Blerer, Richard West, and Joseph Richardson.

Property, A. C. Stoeve, chairman, with C. E. Blankenship, Harry Johnson, Richard West and Harry Ebe, Welfare committee, Albert Ward, chairman, and Albert Michel, Claude Echols, Ward James, Lavern Parker and Fred Cunningham.

Emergency Disaster committee, Lavern C. Parker, chairman, assisted by Eugene Burnett and Albert Ward. The Public Relations chairman will be Harry Johnson with Stoeve, Christ Pashoff, C. E. Townsend and Eugene Burnett on the committee.

On the Request and Endowment committee, Randall Robertson will serve as chairman, aided by George Stearns and Charles Zeugin.

Named to the nominating for a second term are Roy Lynn, Harry Ebe, Harry Johnson and Mrs. Elvira Thurber.

A discussion on property needs will be continued at the next meeting on March 13, which also will be the annual meeting.

Stoeve, property chairman, announced tentative plans for a capital campaign for a new Salvation Army Citadel. The campaign is being planned for

spring of 1970 and a site is now being considered. A check was presented by Roy Lynn to officially open a building fund and a check was accepted for the new building in memory of Catherine Heronemus, a volunteer worker until her death.

A financial report for January showed the income to be \$2991 and the expenditures \$2713 with outstanding liabilities of \$797. Contributions were received from A. P. Steinhauer, Nick V. Vasiloff and the Granite City Rotary Club to help offset the 1968 deficit which occurred by handling a greater number of boxes for the needy at Christmas.

A contribution was also received from Harry Johnson to assist the Salvation Army's work with the refugees in Biafra.

The service report listed 51 group activities including eight chapel services, four Sunday schools and 26 youth character-building programs. The total attendance was 812 and there were 90 hours of pastoral visitation and counseling.

Two hundred and sixty-one patients and shut-ins in four separate institutions were visited

by the League of Mercy with a total of 108 volunteer hours listed for the month.

A report from the Welfare Office located at 19th Street and Delmar announced assistance for 51 individuals and material assistance in 13 cases, 10 welfare orders and 20 hours in consultations and interviews.

### Law Enforcement

#### Grant Total \$833,050

Illinois has received a federal grant of \$833,050 for comprehensive law enforcement planning.

The Governor's Committee on Criminal Justice will use 60% of the funds; the remainder will be distributed to local governments. Matching funds equal to 10% of grants must be provided.

## Marine Corps League

### Aids Mrs. Counts

A meeting of the Quad-City Det. Marine Corps League was held Monday evening and a contribution of \$30 was made to Mrs. Gladys Counts, mother of Marine Cpl. Gary L. Skaggs, to be used at her discretion.

Mrs. Skaggs left Wednesday for Philadelphia Naval Hospital to visit her son who is hospitalized there after being returned to this country following amputation of both legs after being wounded in Vietnam. Cpl. Skaggs was also made a member of the League in good standing.

Plans were completed for a League dance to be held March 15 at the Elk's Club. Tickets are now available at Hersch's barber shop, 2213 Washington avenue.

### General Aviation Month

Gov. Richard B. Ogilvie has proclaimed March as "General Aviation Month." The proclamation calls attention to the increase in aviation activity in Illinois as well as the contribution aviation has made to business and industrial development.

## Council Stalls

### Passage of Mayor Pay Boost Bill

Deferral action stalled passage of an ordinance Monday night to boost the salaries of Granite City's mayor, treasurer and clerk to be elected on April 1.

The deferral was requested by Aldermen Moerlen and Green, after a motion for passage had been made by Alderman Fry. Deferral stalls all debate.

The council had debated the topic at length during the Feb. 3 meeting when the ordinance was initially presented, based on recommendations by a special committee of six citizens.

The council members, unable to decide on salary amounts, had turned the problem over to a citizen group on Jan. 27 and asked for recommendations by Feb. 3.

### Proposed Salaries

The salary for the mayor proposed by the citizens was \$13,200-a-year (\$1100-a-month) with an annual expense allowance of \$1500 and a car allowance of \$50 a month. The present salary is \$10,500-a-year (\$875-a-month) with a \$1500 annual expense allowance.

For the treasurer, the salary is proposed at \$11,400 (\$950-a-month) plus fees from the clerk. At present, the treasurer receives \$9080 (\$756-a-month), and the clerk receives \$4800 (\$400-a-month) plus fees from birth and death certificates and from hunting and fishing licenses. If the ordinance is adopted, the fees will go to the city's general fund.

On first reading two weeks ago, the vote was 10-to-5. Voting for the increases were Aldermen Whitmer, Bartoski, Boyd, Mordage, Baaschick, Non-Fry, Parmley, Jarrett and Daves. Opposed were Moerlen, Poulos, Green, Robertson and Johnson. Alderman Dallas was working and was not present.

### Pay for Engineer

Approved by the council Monday night was a resolution transferring \$4000 from sales tax funds to the street department contingency fund for payment of fees to the city consulting engineer for work being done earlier this fiscal year. The council had removed the fees for an engineer from the budget prior to its adoption last summer.

Alderman Johnson called upon City Atty. Scroggins to determine if there was any way legally the city could allocate funds to pay the consulting engineer for the remainder of the year which ends April 30. Scroggins said he would write the matter and submit a written opinion at next Monday's meeting.

On a motion by Johnson, the council ok'd preparation of a resolution to support State Rep. Horace Calvo in his bid to reduce taxes for pensioners. Bartoski called for the city also to request support of the Illinois Municipal League.

Alderman Moerlen commented that bills were being proposed in the legislature to aid pensioners, and that the council should consider those of a more uniform nature based on minimum incomes.

### Wrong Way Charge

George M. Soder of Cahokia was charged at 3:45 p.m. Monday with driving the wrong way on a one-way street at 23rd and State streets. He is to appear by Feb. 28.

### 5 State Parks Attract Over Million Visitors

Five Illinois state parks attracted more than 1,000,000 visitors each last year, topping all other years. Three parks registered more than a million visitors each in 1967.

The five parks, with comparable figures for 1967 in parentheses, were Starved Rock, 1,544,416 (1,649,232); Illinois Beach, 1,300,453 (1,300,880); Pere Marquette, 1,348,193 (1,177,613); Lincoln's New Salem, 1,120,154 (947,702); and Kankakee River, 1,047,769 (734,339).

## Major Crimes Increased In GC During January

A comparison summary of major crimes, auto accidents and arrests in Granite City during January and the same month one year ago, released this week by Chief of Police Ronald Veizer, shows a substantial increase in the crime rate, a decrease in the number of traffic accidents and a drop of 68 in the total arrests.

Major crimes so far this year total 148 compared to 108 in January one year ago. A total of 19 cases were cleared last month contrasting with 13 cleared in 1968, plus 11 other cases cleared. Sixteen other cases were cleared in the same period last year.

Major crimes committed in Granite City last month, compared with the January 1968 figure in parenthesis, are as follows:

Criminal homicide — none (none); forcible rape — (0); robbery — 1, (3); assault — 11, (1); burglary — 64, (20); larceny — 59, (37); auto theft — 28, (26). Traffic arrests last month totaled 125 compared to 224 in 1968, while other arrests numbered 48, or 18 more than one year ago. Forty-two additional charges were filed last month, an increase of 13 over January 1968. Overall arrest figures in

January 1968 totaled 283, or 68 more than last month.

Summarizing the number of auto accidents in the past month, Chief Veizer said there was one fatality this year with nine reported in January 1968. Personal injury accidents totaled 44, the same as last year, and accidents involving property damage numbered 100 last month, contrasting to 137 one year ago. Fifty-seven persons were injured in auto accidents during January 1969, one less than the previous January, Veizer said.

The Granite City police department answered 1232 complaints last month, an average of 39.8 complaints per day.

**S/Sgt. W. D. Wheat Returns from Vietnam**  
S/Sgt. William D. Wheat, a son of Mr. and Mrs. Duane Wheat, 2519 Grand avenue, has returned from a 12-month tour of duty in Vietnam and will spend a 46-day leave with his parents and his wife, the former Wanda Mixen, before leaving for his next assignment at Fort Wadsworth in Florida. His wife and son, Billy, will accompany him.

Registered nurses between the ages of 20 and 35 are urged to contact the captain for more information. Student nurses are invited to learn how the Army Student Nurse program can assist them financially in completing their educations.

Further information can be obtained by contacting your local Army Recruiter, SFC R. B. Mahary, 1349 Niedringhaus avenue.

**M/Sgt. Donald Edwards With Honored AF Unit**  
Master Sgt. Donald R. Edwards, son of Clyde Edwards of 2041 Thirteenth street, has been recognized for helping his unit earn the U. S. Air Force Outstanding Unit Award.

M/Sgt. Edwards is a flight engineer in the 437th Military Airlift Wing at Charleston AFB, S. C., and will wear the distinctive service ribbon as a permanent decoration.

The 437th was cited for exceptionally meritorious service during its combat and resupply airlift operations around the world from July 1967 to July 1968. This marks the third time in four years the wing has been honored with an outstanding air unit.

The sergeant, who has been on duty in Vietnam, is a graduate of Granite City high school. His wife, Betty, is the daughter of Mr. and Mrs. Andy Turnbull of Granite City.

**Named Accounting Head**  
Robert J. Crain has been appointed manager of corporate accounting and auditing of General Steel Industries, Inc., St. Louis, it was announced today by R. T. Risk, vice-president and controller. Crain formerly served as manager of auditing for GSI.

## GC Bill List—\$36,064; Income—\$63,999

A bill list totaling \$36,064 and sick leave payments amounting to \$1761 were approved Monday night by Granite City council members.

Income to the city amounted to \$26,106 motor fuel tax allotment for January and \$37,889 city sales tax for November. The notices were referred to the comptroller and treasurer. The other payments were approved upon recommendation by City Atty. Scroggins.

The city will pay \$50 to Ollie Harmon, 2244 State street, for expenses incurred as a result of a sidewalk fall last Dec. 31 in the 1800 block of Edison avenue where there was broken concrete in a sidewalk.

**\$150 Repair Bill**  
A payment of \$150 was made to Robert Shambaugh of the Army Depot for repairs to his auto. His car was struck by a city sewage treatment plant truck on Niedringhaus avenue at the Depot gate last Jan. 23.

Referred to the comptroller for city maintenance, the Chicago budget was a bill from the East-West Gateway Coordinating Council as the city's contribution to the agency for planning services for federal fund grants. The payment is based on five cents a year per capita.

Several resolutions were approved for transfers of funds within the street, fire and humane departments and large transfers from sales tax and the tax commission funds to bolster dwindling balances in nine departments and funds.

**Sales Tax Transfer**  
The transfers totaled \$186,500 from sales tax and \$75,000 from excess tax commissions. The \$263,500 went to the following departments and funds: Fire department, \$76,000; police department, \$61,000; sanitation department, \$48,000; for dog catching, \$3000; street department, \$3500 for street lighting, \$10,000; general government, \$18,000; inspection department, \$2500; and retirement fund, \$9000.

A refund of \$50 to A. H. Seebold Co. for return of plans for the storm water sewer project on which the construction firm was an unsuccessful bidder was approved.

Protests were raised by Alderman Bartoski, chairman of the Special Sewer committee, who said the company had kept the plans for seven months, which he believed to be beyond the "reasonable time" for return.

"The engineer thinks he used them during his contract for improvement of Nameoki road," Bartoski said. The mayor was approved by a vote of 13-3-3.

**Disclaims Responsibility**  
In another communication, the city was advised by S. M. Wilson Co., contractor for the storm sewer project, that it had no obligation to pay the Seebold Co. \$50 for cleanup work on Nameoki road between East 23rd street and Edwardsville road.

Seebold and the state highway department had informed the city the amount was due because of extra work on the road resulting from the storm water project. The council voted to send copies of the Wilson letter to Seebold and the state highway department.

Major items on the bill list were \$7851 to Matthew's Chevrolet for 1968 employee retirement; \$7359 to the American National Bank & Trust Co., Chicago, for payment of Nameoki Particular Area 2 bonds and interest and \$2331 to H. W. Lochner Co. for engineering inspection services on the storm water sewer project.

Payment of \$84 to Theodore Pritchett, who substituted for the humane officer during a four-day illness last month, was voted down 4-0-12 on a motion "not to pay," made by Alderman Green.

Green said he had heard Pritchett had been fired last year when he was assistant humane officer. Mayor Parney said the man had resigned and had been called upon last month to maintain the animal shelter building and pick up dead animals during the humane officer's illness. The present humane officer has another job and works only on Saturdays and Sundays.

"We're going to have a big problem when the humane officer gets sick again and we try to get a substitute on a moment's notice. I'm going to call all 16 aldermen for recommendations until I can find a man. We can't let those animals go unfed and unwatered and the pens not cleaned," the mayor said.

Green's motion to advertise for applicants for a part-time assistant was approved.

**Collide in Madison**

Cars driven by Gerry L. Wallace, 1357 Edwardsville road, and Oran R. Feagan, 1305 Iowa street, Madison, were damaged at 1:45 p.m. Monday in a collision in the 1400 block of 12th street, Madison, police reported. Officers said Wallace was headed east on 12th street and collided with the Feagan car as it pulled away from the curb.

## Scheibel-Akers Engagement

Just announced is the engagement of Miss Marsha Ann Akers, a daughter of Mrs. Marcella Morton of Orlando, Fla., and Louis A. Akers of Alton, to Kent S. Scheibel, a son of Mr. and Mrs. Rodrick E. Scheibel of Granite City.

The prospective bridegroom is a graduate Art Major at SIU-SW. Miss Akers is employed in St. Louis but expects to begin her senior at SIU next year. A summer wedding is planned.

## Mrs. Stoffler With 'Gira'

Mrs. James Stoffler, the former Mildred E. Michels, a daughter of Mr. and Mrs. Joe Michels, 2680 Iowa street, wife of Dr. James A. Stoffler, both Granite Cityans residing in Greeley, Colo., is now director of GIRA, Greeley Information and Referral Agency.

The organization formed there about a year ago is designed to fill a gap found to exist between the needs of individuals and families in the area and the agencies and organizations able to meet their needs, and to find solutions to problems people may have.

Mrs. Stoffler reported that among the needs taken care of in the community by the newly formed organization are: fuel, jobs, aids to health problems, clothing, referrals to mental health and alcoholism agencies and many others.

Mrs. Stoffler received her BS degree in education at SIU-Carbondale, and her master degree from Colorado State University in Greeley last year. Her husband, Dr. Stoffler, also an alumnus of SIU-Carbondale, is an associate professor at Colorado State. He is a son of Mrs. John Heindryck of Granite City. Dr. and Mrs. Stoffler, parents of four sons, have made their home in Colorado for the past seven years. She is a sister of Mrs. Ray Uram, a local resident.

# Jr. Service Club's Annual Fashion Show, Tea March 2

The Granite City Junior Service Club will present its annual Fashion Show and Tea on Sunday, March 2, from 2 to 4 p.m. at the Southern Illinois University-Southwestern campus.

Thom Lewis, St. Louis television personality, will serve as commentator. All proceeds from the show will be used to further the club's many charity projects.

Theme for this year's show is "Fashion in Bloom." Models will include children, teenagers and adults representing many Granite City civic organizations. All fashions will be shown through the courtesy of local merchants.

Chairmen for the show include Mrs. Geri Gavlik, general chairman; Mrs. Dorothy Melamp and Mrs. Margaret Hornberger, ad book and posters; Mrs. Francisca Rawden, script; Mrs. Margie Penzell, advertising; Mrs. Audrey Jaro, models; and Mrs. Jean Ann Vrenick, tickets.

Since September 1968, the club has handled 17 different eye cases, issued nursing scholarships, furnished a little league team with uniforms, donated to the Easter Seal Society Day Camp, Salvation Army Tree of Lights, YMCA and the Tuberculosis Association.

Donations have also been made to the Alton and Granite City Mental Health Clinics. Christmas stockings were made and given to St. Elizabeth Hospital for all babies born during Christmas week.

The club has rented musical instruments for children whose parents were not able to do so. Elderly citizens are furnished with baskets of food at Christmas and Easter. Also sponsored Year round is a handicapped girl in Alton, a former resident of Granite City, who is remembered on her birthday and all holidays.

Tickets for the show may be purchased from any member or at the door. Prizes will be awarded during intermission. Guided tours of the university also will be conducted.

## Aiding GC Club

Thom Lewis, a native of St. Louis, and member of the KMOX-TV's announcing staff, will serve as the commentator for the Granite City Junior Service annual Fashion Show and Tea on March 2 at the SIU-SW campus ballroom.

Lewis has been employed at his present position since 1968 but has been active in the broadcasting industry since 1951.

A graduate of Christian Brothers College, St. Louis, in 1947, he continued his education at Northwestern University, earning his BS and MA degrees in radio speech.

He has also served as moderator for the Sacred Hour broadcast on radio stations in the U. S. and Canada for several years and serves as narrator for several industrial films.

When not on the guest speaking circuit, Lewis directs his talents toward Crestwood, Mo., and his woodworking shop in his home at 1445 Ball Court, where he lives with his wife, Patti and four children, Debra, Mark, Matthew and Michael.

### 106 Miles of Interstate To Be Ready This Year

Illinois has 106 miles of its allocated 173 miles of interstate highway completed and open to traffic. Present plans indicate that nearly 106 miles of highway will be open to traffic during 1969. The state will then have completed more than two-thirds of its share of the interstate highway system.

Many of the sections to be opened are on Interstate 57 which extends from Chicago to Cairo, a distance of 353 miles. Interstate 57 will cross the river at Cairo and join Interstate 55 at St. Louis, Mo., providing an interstate highway from the Great Lakes to the Gulf of Mexico when completed.

### Change in State Law

## City to Buy Flags for Polling Places April 1st

City precinct polling places that flags no longer are required. They weren't sent out with the supplies since they're no longer required by law. The polling place sign bears a flag and is to be posted in a prominent place," the clerk added. "The reason for the change," he added, "is because so many of the flags were wiped by youngsters in the Chicago area."

Because of the location of a number of polling places in homes, council members voted for the purchase of two flags for each precinct polling place for the April 1 election. Mayor Partney noted that a polling place in the First Ward on Feb. 11 was at the rear of a home and was upstairs above a garage. "I think we'd better find a better place where there are no stairs. That one posed a problem for the elderly people," the mayor said.

Council members also began turning in precinct boundaries for the new wards. City Atty. Scroggins said the details should be supplied to him as quickly as possible for the preparation of an ordinance. Several aldermen said voters were confused over the arrangement in the mayor primary in which they could vote at any one of the polling places in their ward.

While a vote canvass is not required under state law for a runoff election such as the Feb. 11 mayor primary, council members adopted a resolution setting the canvass for 7:30 p.m. next Monday in advance of the regular council session. Approved by the council was payment to the election judges totaling \$470.

### Capt. Prusak Assigned To Air Base in Maine

Capt. Maximilian M. Prusak, son of Mr. and Mrs. Max E. Prusak, 2232 Waterman avenue, has arrived for duty at Loring AFB, Maine.

Capt. Prusak, a legal officer, is assigned to a unit of the Strategic Air Command. A 1961 graduate of Granite City high school, he received his BS and JD degrees from the University of Illinois, where he was commissioned through the Air Force Reserve Officers Training Corps program.

His wife, Carolyn, is the daughter of Mr. and Mrs. Carl Pinkel of Belleville.

## Suggests State Guide Spending By Local Govt.

Establishment of a new state agency in Illinois to supervise financial operations of local government units is recommended by Leo Cohen of the Regional and Urban Development Studies and Services office of Southern Illinois University-Southwestern campus.

In presenting his case for a separate state agency such as a Department of Local Government Affairs, Cohen says in a national study that state supervision should help make local officials more competent and increase administrative efficiency and organization of local units.

"It would be advisable for the state to clearly articulate a new philosophy relative to the state's involvement in local finance," Cohen said.

The state already has a great deal of supervision over local tax districts, but with uniform practices, the entire tax operation could become more efficient, he added. Copies of the study, "State Supervision of Illinois Local Finance," will be distributed to all state legislators.

The report calls for a sufficient number of competent professionals to staff such a department to insure its success and suggests that such an agency establish minimal procedural standards for budgeting, accounting principles and the form and content of audits.

## GC Jaycees Serve 1400 Hot Dogs to Delegates

Thirteen members of the Granite City Jaycees attended the Illinois Jaycees state board meeting which ended this week in Springfield to promote attendance at the Illinois Junior Sports Jambooree, to be held in Granite City between Aug. 7 and Aug. 8.

The local group distributed 1400 hot dogs to delegates at the state meeting, which featured an address by National Jaycee President Wendell Smith.

Those participating from here were Richard Dawdy, Jaycee president, Boyd Presley, state vice-president and a national director, and Bill McAmish, Bob Bischoff, O'Neil Smith, Stanley Brown, Earl Warnhoff, Joseph Nemeth, Dr. Robert Schmidt, Fred Haldean, Albert Delany, David Grindstaff and Darrell Grindstaff.

## MacMurray to Offer 1969 Math Institute

MacMurray College at Jacksonville, Ill., is to conduct a mathematics and physics institute during the summer under sponsorship of the National Science Foundation, according to listings by NSF of summer opportunities for science training and high ability secondary students.

The project is among those supported by the science foundation providing opportunities for more than 4000 academically outstanding secondary school students to obtain intensive experience in science and mathematics during the summer months of the year. The projects are administered through the Student Science Training Program (STP) of the Foundation.

Admission to the summer projects, including that at MacMurray, will be determined by the sponsoring institutions and in general will be based upon scholastic ability, science motivation and completion of high school courses in science and mathematics. Usually the great majority of participants will be completing their junior year (11th grade) in high school at the time of application, although a limited number from the 10th and 12th grades will be accepted by some project directors.

Projects vary in length from five to 11 weeks. In most cases cost of instruction are paid by the National Science Foundation. The student is expected to pay his own room, board and travel. MacMurray College is the only private college in Illinois offering an elite institute in mathematics and physics including research.

## GCHS Students Place 2nd In District Speech Meet

Granite City high school speech students placed second overall in individual events during the annual district tournament of the Illinois High School Speech Association, held Saturday at Granite City high school.

Seven local winners from a field of ten GCHS students entered in the contest will compete March 1 in sectional competition at Belleville-West high school.

Fifteen area schools were represented in Saturday's first round level, with O'Fallon high school accumulating top scores and placing first.

Granite City students qualifying for sectional and an opportunity to compete at the state level are Connie Murray, who received first place in poetry; Nancy Sternberg, second place, comedy reading; Anita Gasparovic, second place, serious reading; Doris Ferro, second place, original monologue; Karen Corzilius, third place, extemporaneous speaking; Cindy Blumenstock, third place, oratorical declamation; and Lauren Sheelin, third place, radio speaking.

Local high school students also placed fifth in one-act play presentation. Richard King, GCHS speech instructor, coordinated the district speech tournament.

## ISU President Named Exchange Council Head

Dr. Samuel E. Braden, president of Illinois State University, has been named 1969 chairman of the Council on International Educational Exchange, an organization headquartered in New York City which coordinates and encourages student educational programs abroad.

The council is made up of more than 100 colleges and universities along with over 50 educational, religious and youth organizations. It acts as a coordinating body to foster educational programs overseas for American students in high schools and colleges and on the graduate level. It also works to bring foreign students to the United States.

As part of its activities, the council has chartered a passenger liner in past years to carry students to and from foreign lands. In 1968, the vessel carried more than 9000 students. Bookings on other ships numbered more than 1400 and, in addition, air travel was arranged for over 13,000 students.

Among the programs the organization helps to sponsor was one last summer in which Japanese teachers of English were brought to the United States for special study. A group of 40 teachers spent a month at Illinois State University studying English.

A program for American students at Leningrad State University in Russia was one of last year's projects with 175 persons taking part. Many students participated in programs in Europe and European students came to this country. ISU has been developing new overseas study programs and this summer will sponsor groups in Israel, Taiwan, Mexico and France.

## String Quartet to Give Program on Sunday

The Lincoln Quartet, resident string ensemble at Southern Illinois University-Southwestern campus, will perform Sunday at 3:30 p.m. in the Science Laboratory lecture hall.

Founded in 1965, the group is composed of John Kendall and Kent Perry, violin; Robert Schiber, viola; and Joseph Pival, cello. In addition to their teaching assignments at SIU, each year members of the quartet average 40 concerts throughout the Midwest.

Sunday's program will include Haydn's "Quartet in G Major," "String Quartet No. 6 by Villa-Lobos," and "Quartet in D Minor" by Schubert. The program is open to the public without charge.

## YMCA Schedules Trip To Silver Skates Event

The YMCA Youth Department will sponsor a bus trip to the St. Louis Silver Skates National Indoor Championship on Sunday, March 9. The event is being held at the St. Louis Arena, scheduled to start at 2 p.m. The bus will leave "Y" at 12:15 p.m.

The trip is open to "Y" members and non-members, youth and adults. The cost of the trip would be \$1.25 for "Y" members and \$1.75 for all non-members and adults. The fee covers both ticket and transportation.

Registrations are now being taken at the "Y" Youth office. The fee must be paid at the time of registration. The first 40 persons to sign up will get to make the trip.

# HS Student Meeting on Community Problems Planned

A committee of representatives of the Quad-Cities Social Concerns Council and officers of student councils of Granite City, Madison and Venice senior high schools is planning a day-long public session to discuss community problems. It was announced today.

The session, to be held at the local YMCA, is tentatively scheduled for March 31 from 9 a.m. to 4 p.m., according to Alex Duccini, an employee of the Illinois State Employment service in Granite City. Subjects to be discussed include sex, drugs, black-white community and revolt against authority.

It is expected that well-known subject matter specialists will speak before a group of students and parents, with discussion following, Duccini said.

While it will not be possible to explore all these subjects in depth and reach well defined conclusions, it is hoped that the discussions will provide a basis for further study and, hopefully, further similar discussions at later dates.

It is also hoped that the public discussions, with parents and students present, will help to close the communication gap between the generations and bring both generations to a better understanding of each other's problem, Duccini added.

The Social Concerns Council

is composed of representatives of governmental agencies including the Illinois State Employment Service, the Illinois Youth Commission, Madison County Mental Health Society and local non-profit agencies interested in welfare, such as St. Elizabeth Hospital, Church Women United, Young Men's Christian Association, the Salvation Army, the United Fund and others.

Members of the planning group include Don Hornberger, Illinois Youth Commission, chairman; Miss Connie George, Madison County Mental Health Society, recording secretary; Duccini, and Mrs. Marie Gop, Church Women United.

Students at Granite City high school will participate in an election Friday for president, vice-president, junior members and senior members of the student council.

Nominees for president are Mike Loftus, Dave Evans and Hank Henderson; and seeking the office of vice-president are Phil Dorch, John Harizal, Dave Rowland and Mike Wilson.

On the ballot for election as junior members of the student council, with five to be elected, are Doby Baker, Barb Berger, Marilyn Bess, Sandra Blason, Ann Bickhaus, Janet Bugg, Doris Ferro, Kathy Hagauer, Vickie Harmon, Sandra Hillmer, Joyce Huelkamp, Cathy Johnson, Janet Jones, Ed Kovach, Bob Markarian, Connie Murray, Donna Myers, Jane Parker, Ann Pashea, Alice Rodell, Jan Stuart, Mina Tarpoft, Pat Tarpoft and Debby Thompson.

Senior membership nominees, also with five to be elected, include: Katherine Arbeiter, Patty Bell, Cheryl Brinkmeyer, Shirley Brokaw, Linda Chapman, Linda Fischer, Beverly Frazer, Polly Glosceci, Sherry Graham, Jo Ann Grakimoff, Patty Hayes, Martha Hoedebeck, Donna Keuenhoff, Peggy King, Franchesca Lisa Garb, Melchie, Dave Melzer, Jerry

Monahan, Pat Murphy, Ruth North, Pam Peters, Debbie Peterson, Debbie Portell, Phyllis Prashinsky, Sandy Rasmussen, Reed, Mark Rigby, Ron Simpson, Sara Slattery, Laura Smith, Nancy Sternberg, Rich Taff, Rich Talley, Becky Thompson and Carol Volkmar.

The West Granite Organization will sponsor the movie "Gulliver's Travels" at the Washington Theatre on Friday from 6:30 until 9 p.m.

Posters are to be seen at both Washington and Logan schools, and all children up to the sixth grade will be admitted for 15 cents. Popcorn and soda will be sold.

Chaperones will be Chairman Freida Hurst, Parker Hurst, Bob and Delores Keeton, Herman and Willie Wilson, Mrs. Eleanor Gafford, Mrs. Mary Jane Brannan, Mrs. Betty Tester and James King.

Four members of the GAA department from Prather junior high school are also offering their assistance. They are Andy Gaudin, Lisa Garb, Pat Taylor and Connie Dockery.

Assigned in Vietnam Army Pfc David E. Cremer, son of Mr. and Mrs. Edward J. Cremer, 23 Meadowlark court, arrived in Vietnam last month and has been assigned as a radioman with the 25th Infantry Division's 22nd Inf. try.

A variety of activities will be featured, including songs by pre-school-age youngsters, gymnastics and tumbling feats performed by beginner through advance levels, wrestling skills and bouts, physical fitness routines by members of the women's Slimette Club, baton twirling and colorful square dance presentations.

The ninth annual "Winter Carnival" sponsored by the Granite City park district will be staged at 7:30 p.m. Tuesday, March 4, in Memorial Gymnasium at Granite City high school, Harold Brown, park superintendent, announced today.

The carnival event is presented each year as a showcase for the district's winter recreational program, in which more than 3000 persons are enrolled at the present time. About 450 youngsters and adults are expected to participate in the show this year.

# Masque-Gavel Adds 7 Members

Seven students of Granite City high school received notification through the mail of their acceptance as new members in the Masque and Gavel club.

They are Janet Bertacchi, Ruth Diak, Kathy Carroll, Debbie Corcoran, Kathy Moran, Ed Bartoski and Tony Wiehardt.

To be considered for membership, a student must have at least a 3.75 grade average, be voted on by the members and be rated by each teacher.

Janet Bertacchi is a member of the Future Teachers of America, GAA, and Social Studies Club; Miss Diak is a basketball cheer leader, member of the Red Peppers, student assistant, National Honor Society and is secretary of the senior class.

Debbie Corcoran is a member of the debating team; Kathy Moran serves as president of the Science Club and is on the debating team; a member of GAA and the Social Studies Club.

Kathy Carroll belongs to the National Honor Society, the Red Peppers, Spanish Club, Science Club and Future Teachers of America.

Ed Bartoski serves as the president of the student council, is a member of the National Junior Society; Tony Wiehardt is a member of the National Honor Society.

The club members are now planning a trip to New York in May with their sponsor Richard King.

Local Student Has Role in Play 'J.B.'

Anna Zimmer of Granite City will be seen as Laura in Archibald MacLeish's "J.B." play to be presented Feb. 26-March 1 by the University Theatre at SIU-SW campus. Curtain time is 8:15 p.m. in the Communication Building theatre.

Directing the Pulitzer Prize winning play is Stephen M. Archer, associate director of the University Theatre and assistant professor in the Fine Arts Division.

"J.B." is a philosophical exploration of the nature of the divine and human conditions. According to Archer, "It's language is poetic; its 'message' is love. Particularly apt for 1969, it speaks forcefully of existential man's search for an enduring value in a day and time when such values seem to have departed this world."

Tickets for the performance are free, but admission is by ticket. Reservations may be made by contacting Marilyn McKee at 618-682-2771.

Class at SIU-SW To Go on Summer Tour

A geography class at SIU-SW campus, will tour the north-central United States and parts of Canada this summer.

James Briwell, instructor in earth sciences, will teach a five quarter hour credit course, Geography 450. Departure date is May 15 with the return date Aug. 10.

Traveling by bus, the class will stop at Niagara Falls, Montreal, Quebec, Ottawa, the Maritime Provinces, Boston, New York and Charlottesville.

Cost is \$667 for transportation and lodging. Tuition and meals are not included in the 27-day tour. Tuition for Illinois residents is \$33.90 while out-of-state students will be charged \$62.50. Additional details on the course may be secured by contacting Bridwell at SIU-SW.

Three GC Students Enrolled at Peru State

Three residents of Granite City are among the 1130 students enrolled for the second semester at Peru State College, according to Dr. Kelly J. Liever, registrar. The figure is a five per cent increase over the 1073 enrolled for the second semester a year ago.

Represented in the total enrollment at the 102-year-old college are students from 45 Nebraska counties, 23 other states, the District of Columbia, and six foreign countries: American Samoa, Kuwait, Japan, Korea, West Indies, and Peru, S.A.

Students enrolled from Granite City include: Charles Mizerski, 2869 Madison avenue; Nick Petrille, 2201 Monroe street, and James Rains, 2210 Dewey avenue.

The New Heat Wave is electric

With electric heat, the Dormeyers made room for a billiard table

Space is precious at today's building prices. No wonder the Dormeyers were pleased to find that electric heat saved the cost of a chimney. The dollars saved bought space for more recreation in the rec room of their new home.

In the bargain they got the heating system that's in the wave of the future. More and more Illinois Power families are discovering the special advantages of electric heat: the freedom from maintenance, the cleanliness, the controllability that makes it unique, modern and so nice to spend a lifetime with.

### Psychophysiology of Music Course Offered

An unusual new course, Psychophysiology of Music, is being offered this quarter by Southern Illinois University-Southwestern campus Fine Arts Division.

Conceived and taught by Prof. Warren Joseph, the course combines physics, vocal physiology, pathology of hearing and sensory perception, ordinarily taught separately.

"I have attempted to extract from various disciplines the portions which have a direct bearing on music and put them together in a manner that is understandable to the musician," Joseph said. "In this course we start by doing a basic study of what musical sound is and how it is transmitted, how the hearing mechanism receives it, and how the brain perceives and integrates musical sounds. This means we study some of the basic brain mechanisms, including memory.

"We also study the kinesthetic area, the physical interrelationships of the various senses," Joseph said. "When a musician has to produce a tone he does so by remembering how it sounds and also how it feels."

### Nameoki Division Band Members in Festival

Thirteen students from the Nameoki Division Band participated in the elementary band festival at Triad school in St. Jacob but were not listed in the original group.

They are Lisa Grothues, Carolyn Goldschmidt, Kathy Cross, Anthony Tsigalaroff, Magdalene Fryntko, Elaine Williams, Charles Bennington, Mary Hahz, Abby Cotter, Joe Hassler, Ricky Birdsong, Jim Severine and Randy Telior.

The students represent Nameoki, Niedringhaus, Frohardt, Mitchell, Parkview and Maryville schools.

### McKendree Plans Restoration of Chapel

Plans are under way at McKendree College in Lebanon to rehabilitate the chapel building with funds recently willed to the campus. Up to \$250,000 will be used to refurbish the upstairs chapel of the 111-year-old building.

Vernon Sneed, McKendree business manager, said the funds are part of a large inheritance left to the college by the late Miss Marion Bothwell of Fairfield, Ill.

Restoration of the chapel would include new lighting, floors, windows, woodwork, plaster; remodeling of the stairway and entrance; reconstruction of the bell tower and other improvements. Sneed said the college will attempt to incorporate the chapel's original characteristics into the 200-seat facility.

"Y" Closing Yule Card Drive for India YMCA

YMCA Youth Director Chuck Hame is announcing that the "Y" Youth Department is preparing to send used Christmas cards to the Boys Town YMCA in India. Today is the last day that the "Y" will accept cards for this year's mailing. "If you do not get your cards in by the deadline, please save them and bring them in next year when the project is resumed," Hame said.

The used cards are made into crosses, book marks, other cards, etc., which in turn are resold—the money then is used to support the boys in Boys Town.

### Electron Microscope Course Being Offered

The value of the electron microscope in the study of cells and microorganisms such as viruses, and the resulting demand for trained technicians, has prompted Southern Illinois University-Southwestern campus to establish a course in the use of the electron microscope.

The class, called electron microscopy, will be open to senior level and graduate students in biology. Two specific aims of the course were outlined by Richard B. Parker, chairman of the biology faculty. Mrs. Gertraude Wittig, associate professor of biology at SIU-SW is developing the course.

### Roca Sweetheart Banquet to be Held on Sunday

Rick Cardwell, president of Roca Young Men's Club, announced final plans for the annual "Sweetheart Banquet" to be held Sunday at the Western Bowl in St. Louis. Music will be provided by the "Rising Sons."

Another project of the club is assisting the Heart Association's fund drive. Each member is selling tickets for a skating session at Wilson Park ice skating rink on Saturday evening from 9:30 to midnight. Cost of tickets will be 35 cents and does not include the rental of skates. Tickets may also be purchased at the door.

An election at Granite City high school on Friday will have five club members and three Roca sweethearts as nominees for office, in the student council.

Mike Loftus and Dave Evans Mike Wilson for vice-president, are nominated for president, Mark Rigley, Frank Michelle, Cheryl Brinkmeyer, Pam Peters and Debbie Portell for student council members.

Several members and their dates attended the production of Picnic by the Masquers Inc. held last weekend in Collinsville.

Also announced by the president, was the fifth straight basketball victory by Roca Raiders. They defeated Sacred Heart CYO by 39-35. This was the first loss for Sacred Heart and brings the Roca team to a 5 win and 4 loss record.

### Band Concert Tonight by HS, Nameoki Bands

The Granite City high school band concert will be held tonight at 8 o'clock in the senior high school auditorium.

The Nameoki Division band under the direction of Carole James will include students from Nameoki, Niedringhaus, Frohardt, Mitchell, Parkview and Maryville. They will present four selections.

Louis Meek, conductor for the Granite City high school band and Joseph Owens, assistant conductor, will each conduct four selections for the concert.

### Miss McCalla to Sing Friday at SIU-SW

Miss Kathy McCalla, a soprano from Granite City, will be among the 16 Southern Illinois University-Southwestern campus Madrigal Singers to give a concert Friday at 8:15 p.m. in the Communications Building theater.

The Madrigal Singers, under the direction of Prof. Leonard Van Camp, director of choral activities at SIU-SW campus, were chosen from the 60-voice Concert Choral, an auditioned group representing all academic areas of the University.

Included on the Friday evening program will be works of Thomas Weelkes, Claude LeJeune, Clement Jannequin, Samuel Barber, Brahms, Debussy and Ernest Bloch. Pianists Kathy McCalla and Roger Smalley of Alton, will accompany the Brahms number.

### 12-Year-Old Bowler Hits Series of 654

Jesse Keller, a 12-year-old student, and local bowling enthusiast, led his league with a 654 series last weekend.

A member of the Astronauts league which bowls at 9 a.m. Saturday mornings at Bowland, the young bowler bowled 260 and 204 games, and with the last previous game of 190, achieved his high series.

As the league is sanctioned with the Illinois Youth Bowling Association, Keller will receive a trophy for both his high game and high series and receive two patches, one for a game over 250 and for the 654 series.

He is the son of Mr. and Mrs. John Keller of Sunnyside Acres and has been bowling for two years.

### 8 International Field Seminars Slated by SIU-SW

Eight international field seminars slated for this summer have been announced by Southern Illinois University-Southwestern campus.

Each of the three to four-week travel-study programs offers four quarter hours of college credit. The seminars are open to persons who have earned the bachelor's degree or who are now in the senior year of undergraduate study, according to Henry T. Boss, director of the international field seminars.

Six of the eight seminars will include travel to Europe. One of the education seminars will travel to South America and one to Australia and New Zealand.

Five of the courses are offered by the faculty of teacher education and curriculum, one by the faculty of special education, one by the faculty of geography and earth science and another by the faculty of speech.

Courses offered and the instructors are:

Contrasts in South American Education—Milo C. Pierce.  
Contrasts in European Education—Henry T. Boss.

Survey of Education in Australia and New Zealand—Dale Wantling.

Physical Education in Northern Europe—Zadia Herrold.

New School Programs in Western Europe—Cameron Meredith.

European Practices in Special Education—Orval Johnson.

The Geography of Mid Europe—Harry Kircher.

Origins of Modern Speech: The Mediterranean—Robert Hawkins.

Applications for one of the seminars or requests for itineraries and additional information should be directed to Boss in the Education Division, SIU-SW, Edwardsville.

### Student Art Auction Set Friday at SIU-SW

An auction of works by art students and faculty at Southern Illinois University-Southwestern campus will be held Friday, Feb. 21, from 7 to 10 p.m. in the lobby of the Communications Building.

Sponsored by the Art Service Club, the auction will include such media as water colors, paintings, ceramics, and prints, according to faculty adviser Michael Smith of the Fine Arts Division. The public is invited.

## Diagnostic Center for Children Planned

A diagnostic center for children with unusual handicaps will be established in Madison county in early April under a \$40,000 federal grant, Burdette Thurman, director of the present Madison-St. Clair county center at Cahokia, announced today.

Current plans call for location of the center at Southern Illinois University-Southwestern campus, Burdette said. He said staff recruitment and other arrangements for the center are now being worked out by the directors who include special education representatives of the two counties and officials of SIU-SW.

The Madison county center will operate similarly to that begun in St. Clair county last November, also with a \$40,000 grant provided under Title VI of the Elementary and Secondary Education Act. Thurman said the present center which is serving both Madison and St. Clair counties, now has virtually a full staff and expects to be at full strength March 1.

For Children 2 to 7 Children anywhere in Madison or St. Clair county may now be referred to the center in Cahokia if they are between the ages of 2 and 7. After the Madison county center is established, he said, children living in either of the two counties will be able to attend either of the two centers in accordance with whatever transportation is available.

The idea for the center in Cahokia developed from conferences last year between special education directors of the two counties and officials of Southwestern campus of SIU who noted that children with unusual, or what specialists call "low-incidence" handicaps, usually have a difficult time starting school because no one knows what the child's handicap is or how to cope with it.

When a child is referred to the diagnostic center, specialists there work with the child to determine what handicaps there are, and then try to prescribe methods of coping with them. If the specialists are successful

in diagnosing the handicaps and in prescribing teaching methods, the child should be able to begin a public school program in Cahokia if they are without great difficulty, Thurman said.

To Fill Out Staff The staff now attached to the Cahokia center includes a psychologist, a teacher of the deaf and mentally retarded, two diagnostic teachers and Thurman who is on leave from the University of Illinois' Division of Services for Crippled Children in Belleville. On March 1, the director said, a teacher of physically handicapped who also is an occupational therapist, will be added to the staff.

Thurman said additional staff members will be recruited for the Madison Center and all staff members of both centers will work at both locations.

The \$40,000 grant for the Madison center was allotted in early January, Thurman said. Thurman will direct both centers. Harmony-Senge-Elis School District 175 of Belleville is the administering school district for the projects.

## James A. Penrod, 77, Dies; Ill Several Years

James Ardell Penrod, 77, of 2409 Bryan avenue, died at 9:45 p.m. Monday at St. Elizabeth Hospital, where he had been a patient for a week. He had been in ill health for several years.

A native of Pomona, Ill., he had resided in Granite City for 38 years. He was a retired boilermaker formerly employed at Nestles, Inc.

Mr. Penrod was a member of the West 22nd street and Bryan avenue Pentecostal Church.

Survivors include three sons, Willard Penrod of Garden Grove, Calif., Joel Penrod, Carterville, Ill., Samuel Penrod, of Shawneetown, Ill.; three daughters, Mrs. Norma Huffstader, Granite City, Mrs. Naomi Downer Ziegler, Ill., and Mrs. Esther Baker of Browning, Mont.; one brother, August Holder of Murphy, Ill.; three sisters, Mrs. Leona Johnson, Mrs. Augusta Clark and Mrs. Augusta Crawl all of Carbondale, Ill.; 18 grandchildren and six great-grandchildren.

Funeral arrangements are given in today's obituary column.

## Unanimous Action

## Council OK's Annexation and Rezoning for Union Division

Approved unanimously by Granite City council members Monday night were ordinances pertaining to annexing and rezoning a 19-acre tract along Rock road for offices, laboratories and a pilot plant for Union Division of Miles Laboratories.

The tract, which also borders on new Federal Aid Route 151 and property of Prather Junior high school and a new recreation field, was rezoned for a business classification.

It was proclaimed by Fourth and Fifth Ward aldermen as a boon to the area, and Fourth Ward Alderman Claude Green, who is an employee at Union Division, said, "They're really going to go in and expand once this is approved."

"Mayor Partney pointed out the offices and related structures will employ 200 or more people, and Nonn added—"This marks the beginning of the re-vamping of the Fifth Ward. This is something good for the west side and soon you'll be seeing some high-rise apartments in that area along new Route 151."

Minor Objection Only minor objection was raised by Alderman Bartosiak, who questioned if sewers in the area would be able to handle the new buildings.

He stressed that in some areas slated for developments, the city sewers are overtaxed and it will cost the city money to enlarge the sewers. The people over there are paying for their own sewers which

were just recently put in. It doesn't seem fair that the city should go to the expense, should it be necessary," he said.

Bartosiak was reminded by other aldermen that the city put in sewer lines when the A. O. Smith Corp. and RC Cola Co. plants were built.

Alderman Moerlen said he was certain the sewers in the area would be adequate, as he recalled that when he was mayor a 36 or 42-inch line was installed.

Authorization was given for an ordinance to be prepared to change zoning for Howard Bischoff at 1600-1604 Pontoon road for R-3 multiple-family housing with the Union Division and Bischoff requests for zoning changes were approved last week by the City Plan Commission.

Two new petitions for zoning changes were received by the council and referred to the Plan Commission. The requests were by Floyd Hannel of 605 Chouteau avenue, for a C-1 Commercial classification for 2423 Bryan avenue that is now R-3 Residential, and by Edw. Moore for a C-1 Commercial classification for 2109 Pontoon road that is now R-2 Residential.

## Human Growth Group To Meet Next Monday

Mrs. Norma Koesterer of 50 Cambridge drive, newly-elected president of the Greater St. Louis Chapter of Human Growth Inc. and mid-west director of the National HGI board of directors, said today the next meeting will be next Monday.

It will be held at 7:30 p.m. in Children's Hospital, St. Louis. Human Growth Inc. concerns itself with helping children with growth problems. During the coming year HGI will support four research grants at different universities, Mrs. Koesterer said.

To help raise funds for these projects, the organization will sell note paper in several local stores. Local merchants assisting with the sale are Graham's Book store, Frank's Card shop, Maryland Bi-Rite, Midtown Drug store and Reese Drug store.

Anyone interested in information on growth problems in children may contact Mrs. Koesterer at 876-5534.

## Vandals Damage New Village Apartments

James Bair, an employee of the Village Construction Co., reported to police at 1:30 p.m. Monday that vandals had kicked in the front and rear doors at an apartment at 3901 Village lane and also had damaged a dry wall inside the dwelling.

The caller said neighborhood children have caused problems at the construction site before, without serious damage resulting. Bair called back to the station a short time later and reported seven windows damaged by BB pellets at 3937-41-45 Village lane. He said the pellets must have been fired at the apartment complex during the weekend.

## Pfc Robert Hankins Arrives in Vietnam

Army Pfc Robert E. Hankins, 24, son of Mr. and Mrs. Walter Hankins, 4101 Pontoon road, recently arrived in Vietnam and has been assigned to the 7th Battalion, 12th Artillery.

A 1962 graduate of Granite City high school, he was employed at American Steel Foundries before joining the Army on Aug. 16, 1968. He was assigned to Vietnam in late January. The serviceman would like to hear from friends.

His address is: PFC Robert E. Hankins, US 56586672, H.H.B., 7th Bn., 12th Artillery, APO San Francisco, Calif. 96386.

## Speeding Charge

Michael L. Zelisset of Edwardsville was charged with speeding at 21st and Russell streets Monday afternoon. He is to appear by March 3.

## City Seeks Bids for MFT Jobs--Waterman and Lights

With state approval received Monday night for two motor fuel projects, Granite City council members authorized immediate calls for bids for the \$140,000 improvement to Waterman avenue and the \$10,000 installation of traffic signal lights at Johnson road and Wabash avenue.

Waterman avenue is to be improved from Wabash avenue to Maryville road, and in compliance with a state highway department order, the council adopted an ordinance restricting parking to one side of the street on alternate sides each year. A narrow roadway is to be installed to save trees along the residential street.

Two resolutions were approved for added allocations of motor fuel tax funds for improvement of Michigan avenue from Benton street to Troy avenue, an added \$5000, and for Troy avenue from Michigan to Indiana avenue, an added \$10,000. The projects were bid last year but were delayed because of the installation of storm sewers. Re-bidding has been authorized.

The original MFT allocations were \$22,260 for Michigan avenue and \$23,260 for Troy avenue.

## Street Maintenance

Another resolution was approved to allocate \$120,000 from city MFT funds for arterial street maintenance during the current calendar year. The amount was increased from \$108,000 of last year to provided funds that may be needed on streets where sewer lines have been installed.

The Illinois Commerce Commission advised the city by letter that City Clerk Pendleton will be notified the next time an inspector is in this area. The clerk is to notify aldermen interested in having railroad crossings repaired. No date was mentioned.

Council members approved a resolution assuring the state highway department of local support in the widening of Nameoki road with a divided highway from Pontoon road to Mitchell.

Ordinances approved included installation of a stop sign on Meridian street at 14th street and a yield sign on Willow avenue at Emert avenue, along with establishing an easement with the park district for installation of a storm water

sewer line along the 24th street parkway.

Bids for roof repairs at the main fire station and for a new roof at the Nameoki road station house were presented to the council and were referred to Fire Chief Earl Frommberger and City Building Inspector Orville Deltour for recommendation.

## Amounts of Roof Bids

Quad-City Roofing Co. bid \$185 to repair the main station roof, while Biebel Roofing Co. bid for a complete new roof -- \$800. Seven bids for the Nameoki station roof ranged from \$387 to \$1964.

Accepted by the council was a \$325 purchase bid by Wesley J. Lomax, president of Signal System Supply Co. for one of the city's portable traffic signals. The bids were sought after the city

received a proposal of \$400 from a Michigan mining firm.

A resolution was approved assigning City Atty. Scroggins the duty of seeking circuit court proceeding for either repair or razing a vacant structure at 2330 West 23rd street. Alderman Neuf recommended emergency steps be taken to clear the structure, as it presents a fire hazard to neighboring property.

In still another resolution approved by council members, John Sobel Realty Co. was given permission to place a 24x24-foot billboard sign at 3130 Nameoki road on property owned by Lyman Hughes.

Excavation permits authorized by the council were for Southwestern Bell Telephone Co. to bore under Broniey avenue in the vicinity of East 23rd street for a cable and for East St. Louis & Interurban Water Co. to repair valves in the street at 23rd street and Cleve-

## Faces Three Charges

Larry R. Butts, 27, of 1737 State street, was charged at 3:10 p.m. Monday with speeding in the 100 block of Cleveland blvd., and disorderly conduct and careless driving at Niedringhaus avenue and the railroad tracks. He was detained overnight and posted \$25 cash bail before his release at 10:45 a.m. Tuesday.

land blvd. and at 21st street and Edison avenue.

Scroggins was asked to review ordinances governing distribution of handbills. Council members complained of handbills being thrown from trucks cluttering streets and shrubbery and called for extra controls possibly to prohibit throwing.

Several commented the handbills should be distributed on a door-to-door basis.

## Parking Lot Mishap

While backing out of a parking space near the entrance to Granite City Trust and Savings Bank parking area in the 1900 block of Edison avenue at 9:35 a.m. Monday, an auto operated by George W. Tilton of Cahokia collided with another vehicle driven by Paul F. Klaus of 2636 East 25th street.

## License Charge

David Ray Tackett of 2226 Missouri avenue was arrested at 10 p.m. Monday at 22nd street and Madison avenue, and charged with operation of a vehicle without evidence of registration (no valid state license). He is to appear in magistrate's court by Feb. 27.

## \$160,000 Settlement Made in Utility Case

An out-of-court settlement of \$160,000 has been awarded a former Illinois Power Co. lineman in a suit filed against the utility as the result of an accident in January 1968, it was reported Tuesday.

The agreement was reached by attorneys for Leonard Gillis, Edwardsville, with Illinois Power Co. attorneys, Attorneys John Gilchoff and Lance Callis of Granite City represented Gillis.

Gillis was injured when a power pole on which he was working as a lineman broke near Greenville four years ago.

Another case in which Gilchoff and Callis represented Mrs. Dorothy Motesgood of Granite City also was settled out of court in a case in which Granite City Steel Co. agreed to pay her \$38,000 in connection with the death of her husband, George, who died of injuries from a 1965 accident at the plant.

### Careless Driving Charge

## GC January Meter Income Lowest in 3-Year Period

Parking meter fee collections fell off in Granite City during January to \$2550, the lowest monthly fee income in three years, while combined revenue of both fee and fine collections amounted to \$3088 also was the lowest of any month in the same three-year period, according to collection figures released by Comptroller Robert Stevens.

Fine collections during January amounted to \$518, an increase of \$171 over the \$347 in fines assessed in the previous month of December, but the January total revenue of \$3088 still was \$779 less than the December combined revenue of \$3867. Fine collections customarily are low in December because meters are taken out of use several weeks for the Christmas shopping period.

The January fee collection of \$2550 was \$850 less than that of \$3400 reported for January 1968, while January fines of the \$518 were \$286 less than the \$806 received in January 1968.

Meters were in operation 26 days during January, resulting in a daily average income of \$118, also the lowest in the last 36 months of meter operation.

January fines of \$518 were the lowest since January 1966 when fees amounted to \$2399. Fine assessments of January 1966 were \$319, bringing total revenue for that month to \$2318, or \$150 less than total collections last month.

Increased parking meter revenue during 1967 and 1968 resulted from a police crackdown on meter violations in which monthly revenue from fines frequently exceeded the \$1000 mark and in August last year totaled \$1285.

### Park District ID Cards

#### Available Saturday

Granite City park district families may apply for residents' identification cards at Wilson Park ice rink between 9 a.m. and noon Saturday, it was announced today by Supt. Harold Brown.

The park official said a photographer will be on hand to take photos necessary for the ID cards. The district has been without film for the past few weeks which has halted the distribution of cards, he explained. Pouches, designed to contain the cards, also will be available Saturday to residents who have acquired cards without the protective cover, Brown said.

### Capt. Ronald Grzesk Graduates at Keesler

Capt. Ronald L. Grzesk, son of Capt. Leo L. Grzesk of 212 Benton street, has been graduated from a U. S. Air Force technical school at Keesler AFB, Miss.

He was trained as a communications officer and has been assigned to a unit of the Air Force Communications Service at Rhein Main AB, Germany.

Grzesk, a graduate of Campion Jesuit High School, Prairie du Chien, Wis., received a B.A. degree from Washington University, St. Louis.

He was commissioned upon completion of Officer Training School at Lackland AFB, Texas. His wife, Elaine, is the daughter of Mr. and Mrs. Stephen Nemeth of 1636 Sycamore avenue.

## Plan Educational Program Against Narcotic Usage

A county-wide educational program to inform students at the junior high and senior high school level of the dangers of drug use is being planned by the investigative department of the Madison county sheriff's office because of the sharply increased influx of drugs and narcotics into the county, it was learned today.

The program has been initiated by Deputy Sheriff Dennis Nichols, who told the Press-Record that drugs and narcotics are more readily available in Madison county today than at any time in the county's history because of an obvious pickup in imports from several southern states.

Nicholas announced last week the discovery of the largest cache ever seized in Madison county, but declined to reveal where the drugs were found. The drugs included five ampules of pure morphine with an estimated value of \$5000. Nichols said other narcotic seizures have been made recently, but that little publicity has been given to the cases pending investigations which still are going on.

#### Plans Demonstrations, Displays

"One way to combat the traffic in narcotics is to educate the people as to the dangers and effects of drugs and narcotics," Nicholas said. He added that Robert Rizzi, his partner in most investigations, will assist in the proposed educational program which will consist of appearances, demonstrations and displays before groups of students at junior high and senior high school levels.

Nicholas said he already has given several appearances before civic clubs to test the feasibility of an extensive educational program, and found the results highly gratifying.

Nicholas said he or Rizzi will be willing to appear before any group, civic club or other organizations such as PTA units and women's clubs to educate adults as well as teenagers in the pitfalls of drug addiction.

He said he already has discussed the program with state narcotic agents and plans to meet with them again to determine specifically just how much information can be given teenage groups. "We don't want to put ourselves in the position of educating the wrong way," Nicholas said.

### Juvenile Unit to Hear Crime Control Speaker

William E. Dye, staff member of the St. Clair County Crime Control Commission, will be the speaker at a dinner meeting of the Metro-East Juvenile Officers Association Monday at 7 p.m., it was announced today.

Dye will discuss the purpose and work of the commission on the eve of its first anniversary and will explain the relationship of the commission to juvenile crime. The St. Clair County Crime Control Commission was organized March 8 last year as a non-profit, county-wide investigative agency.

A new 20-minute film dealing with effects of the use of LSD produced by the Illinois Youth Commission, also will be shown at the meeting which will be held in the Stop Light restaurant, Routes 50 and 111, East St. Louis.

The association announced that Mrs. Louise Parker, Alton, a youth services representative of the Community Services Division of the East St. Louis regional office of the Illinois Youth Commission, has been selected to receive the statewide Illinois Juvenile Association Award for 1969. She is to receive the award at the 38th annual Governor's Conference May 15-16 in Chicago.

Granite City Police Sgt. Harry L. Mitchell, president of the Metro-East Juvenile Officers Association, said that all meetings of the group are open to the public.

#### Dog Muzzle Charge

Humane Officer Terry May of Granite City issued a citation to Alfonso Munoz, 2145a State street, at 8:30 a.m. Monday, charging the man with allowing a dog to run at large without a muzzle.

Granite City Police Sgt. Harry L. Mitchell, president of the Metro-East Juvenile Officers Association, said that all meetings of the group are open to the public.

## Income Tax Data Available At Madison Public Library

The Madison public library, 1700 Fifth street, has an exhibit of the latest federal tax information available for use of taxpayers in the Quad-City area.

The exhibit consists of the most commonly used tax forms, publication, pamphlets, books and reference materials. Materials include, form for employees earning \$10,000 or less; taxable and non-taxable income;

information concerning taxable disasters; casualty losses and thefts; gains and losses from sale or exchange of property; adjustments for sick pay; plus teaching and instruction aids on all tax forms and reference materials.

Information concerning scheduled taxpayer assistance days at the IRS office in the city hall in Granite City each Monday also is available.

### 'Lift Off' Program Explained at Tea

A tea was held Monday at Emerson school for all parents of children attending the pre-schools of E.S.A.E. Title I "Lift Off" program.

This program of the Granite City schools has been in effect since June 1966 at four centers, Emerson, Logan Washington and Webster schools.

Dale Rea, assistant to the superintendent, welcomed the parents, introduced the Title I personnel and gave a short talk in which he explained Public Law 89-10.

This law, he said, has four sections, with Title I being the section under which the pre-school program operates. In addition it pays for remedial reading, nursing and counseling services at these four schools.

"This comprehensive coverage makes Title I at Granite City a unique service, Rea said. Other schools have one or two parts but not the complete service. About 50 parents of children from all four schools attended and heard talks by Mrs. Ruth Jensen, pre-school teacher at Webster, and Mrs. Esther Vasileff, counselor at Emerson and Logan schools.

Mrs. Bea Pyle, nurse at Washington school concluded the program with a film "Visual Perception and Failure to Learn."

### S/Sgt. Kenneth Dunlap At Luke AFB, Ariz.

S/Sgt. Kenneth B. Dunlap, son of Mr. and Mrs. Cecil L. Dunlap, 2002 Marshall avenue, has arrived for duty at Luke AFB, Ariz.

Sgt. Dunlap, an administrative specialist, is assigned to a unit of the Tactical Air Command. He previously served at Kadena AB, Okinawa. The sergeant was graduated from Madison high school and attended Howard Payne College and the University of Maryland. His wife is the former Doris L. Dallmann from West Germany.

## Sp/5 John D. Banther Is Avionics Specialist

Army Specialist Five John D. Banther, 25, whose wife, Wanda, lives in Granite City, was assigned last month to the 1st Aviation Brigade in Vietnam as an avionics specialist.

His parents, Mr. and Mrs. John M. Banther, resides in Billings, Okla.

### Right-of-Way Charge

As he was making a left turn into the Granite City Steel Co. driveway at 20th and Iowa streets, at 10:15 a.m. Monday, O. F. Richards Jr. of Webster Groves, Mo., collided with the eastbound car of Jesse S. Hill of Cahokia. Richards was charged with a right-of-way violation and told to appear for a hearing by Feb. 27.

A Series of Distinguished Guest Speakers Probing the Theme:  
"The Challenge of Christ in Today's World"

### February 23

BISHOP LANCE WEBB, Springfield; Resident Bishop of the Illinois Area of The United Methodist Church; nationally known churchman, preacher, and author.

### March 2

THE REV. DONALD G. CARLTON, Minister of Centenary United Methodist Church in Effingham, Illinois; former Associate Director of the Wesley Foundation at Southern Illinois University, Carbondale; effective preacher to today's youth.

### March 9

THE HONORABLE PAUL SIMON, Lieutenant Governor of The State of Illinois; active Lutheran layman, lecturer, writer, and distinguished legislator.

### March 16

THE REV. JOHN C. FERGUSON, Minister of St. James United Methodist Church in Chicago; former Administrative Assistant to the late Bishop Matthew W. Clair of St. Louis; capable preacher and pastor "where the action is."

### March 23

BRIGADIER JOHN W. PATON, St. Louis; Divisional Commander of the Midland Division, The Salvation Army; outstanding preacher and administrator, constantly concerned with the challenge of Christ to people in special need.

ANTHEMS will be sung each evening by the Youth and Chancel Choirs under the direction of Warren G. Simpkins, Director of Music for Niedringhaus Church.

SOLOISTS will include Warren G. Simpkins, Richard West, Mrs. James L. Loy, and Dr. Earl W. Miller, Jr.

## Rainfall Throughout State Above Normal

Above normal precipitation was reported throughout Illinois the last three months.

William C. Ackermann, chief of the Illinois State Water Survey, reports that November through January totals are three to four inches above normal in northern and central sections and from five to eight inches above in southern areas.

January precipitation in southern Illinois, normally 3.5 inches, totaled from four to nine inches or more. The largest amount reported was 9.91 inches at Cairo. January totals ranged between two and four inches in northern and central Illinois where normals are 1.8 and 2.0 inches respectively.

## 2 Depot Workers Nominated For Employee of Year Title

Two local residents, both Granite City Army Depot employees, were nominated to represent the Depot in the 14th annual "Federal Civil Service Employee of the Year" competition in the two-state area.

The nominees are Jack R. Tolliver, 1250 Klein street, Venice, and Mrs. Sylvia F. Turner, 3604 Terrace lane, Granite City. Announcement of the winners will be made at a banquet to be held at the Chase Park Hotel, Friday evening, March 28. The banquet is jointly sponsored by the Federal Executive Board, the Federal Business Association and Federal Personnel Council, all of St. Louis.

Each nominee represents one of three categories—administrative, managerial and professional—with consideration being given to the individual's performance of his job, his improvement, efforts and contributions to his community.

Tolliver is the nominee in the professional category. Currently serving as chief, facilities division at the depot, he first entered government service in 1960. He worked for the St. Louis District Engineers until September 1961, when he went to work on the Depot.

In addition to his primary duties, Tolliver is active in community services, including being a member of the Venice public school board, Boy Scouts of America and Crippled Children's Organization. He is a member of St. Mark's Catholic Church. He was graduated from Washington University with a BS Degree in Civil Engineering.

MRS. SYLVIA TURNER  
Nominee

JACK TOLLIVER  
Nominee

Mr. and Mrs. Tolliver are the parents of six children.

Mrs. Sylvia F. Turner is the nominee in the administrative category, and is currently employed as a supply clerk in the Depot's Station Supply Division. She has been in Government service since 1942. She is active in civic affairs, including being a Red Cross Volunteer Nurses' Aide; treasurer, Daughters of Union Veterans; member of Royal Neighbors and member of the St. Peter United Church of Christ.

### HONOR TODD McFARLAND ON EIGHTH BIRTHDAY

Todd McFarland was honored on his eighth birthday with a "patriotic party" given by his parents, Mr. and Mrs. William A. McFarland, in their home, 3244 Willow avenue, Sunday afternoon.

The room was decorated in red, white and blue streamers. Games of hot potato, drop the clothespin and guessing were played, with prizes awarded. Matching napkins and tablecloth adorned the luncheon table, and each guest received a Kennedy bank with candy.

Individual cupcakes decorated with flags were served with ice cream and an orange drink. Watching the honors open gifts were Chris Hillmer, Terry Mangi, Ken Wilson, Patrick Hogan, Mike Hubbard, Timmy Isaac, Brad Peterson, Butch Peterson, Brian Orr, Billy Winter, Billy Buehler and Thomas Verne. Assisting Mrs. McFarland were Donna Jean Kahn and Kathy Keuenhoff.

### BRIDGE CLUB WINNERS

Winners announced at a weekly meeting of the Granite City Duplicate Bridge club Sunday evening were Mr. and Mrs. Elmer Branding, first place; Mrs. Betty Caldwell and Al Schaefer, second, and Mrs. Muriel Dresel and Mrs. Vivian Kern, third.

Members of the Nameoki Duplicate Bridge club met Monday morning in the home of Mrs. Meyer, 2859 Yate drive, for singles. Winners were Mrs. Donna Schaefer, first; Mrs. Bernice Grzesk, second, and Mrs. Meyer, third.

The Granite City club will meet Sunday at 6:45 p.m. at the Elks club, and the Nameoki club will meet in the Meyer home at 10:15 a.m. Monday.

## Woman in Maryland Buys Scooter for Local Hospital

As a result of world-wide publicity on the hall "scooter" used at St. Elizabeth Hospital by the nuns, doctors and staff, the hospital received an interesting letter from Mrs. Agnes Ashton of Silver Springs, Md., with specific instructions.

In her communication, Mrs. Ashton inquired if the hospital would be interested in a donation to purchase another scooter for the hospital. She stated quite definitely she was prepared to purchase a scooter if the cost did not exceed \$150.

Quoting from her letter, it read: "For your convenience and mine, please circle the correct answer 'Yes' or 'No' and return this sheet of paper to me in the enclosed stamped, self-addressed envelope."

"This will be a one-time donation. I cannot do it again. I do not want to be put on a mailing list either, if you have such a thing."

Accepted Graciously

Sister Mary Thomas said, "We graciously accepted the gift and notified Mrs. Ashton

"I hate to be sticky about this, but I am not interested in donating any other item; and I am definitely not able to exceed the amount of \$150."

"If I do not hear from you within two weeks, then I will direct my efforts elsewhere. I like prompt answers to my letters; especially when I intend to make a monetary contribution and, especially when I enclose a self-addressed stamped envelope for convenient reply. My past experience in similar matters has been an almost complete lack of cooperation on the part of the receiving recipients, apathy, I don't like."

"I read about you in a Catholic magazine a long time ago. 'Excuse blindness.' I think your white habits are very lovely and graceful."

"Excuse blindness."

"We graciously accepted the gift and notified Mrs. Ashton

the new scooter would be used for the intensive care unit." The sister added that the cost of the scooter has increased by about \$40 since the first ones were purchased.

Within the week, the money was received from Mrs. Ashton, who extended her love to the patients in the intensive care department.

Sister Mary Thomas expects delivery of the new item by the end of February.

## AF Major Perdue Home after 101 Missions in Vietnam

A veteran Air Force pilot arrived home last week from 12 months duty in Vietnam during which he accomplished 101 aerial combat missions.

Major John W. Perdue, U. S. Air Force, returned here one week ago today to his wife, Mary, and the couple's two children, Miss Doris Ann Perdue, and 18-year-old son, Johnny. The family resides at 1678 Second street, Madison.

The officer will remain at home for 30 days after which he will report to Vandenberg Air Force Base in California.

**Observation Missions**  
Most of Major Perdue's 101 missions in Vietnam involved aerial reconnaissance over enemy territory and his activities still remain classified information, the veteran officer piloted a C-47, affectionately or otherwise referred to as the "Old

Gooney Bird" or "Antique Airline."

To commemorate his 101st mission, before leaving Vietnam—the pilot was presented a special type of hat, similar in design to the Australian Army bush hat and distinguished by the insignia of his unit and the officer's successful mission total. The presentation was made by his superior officer.

**Joins RCAF in 1941**

Born and reared in Granite City, Major Perdue was graduated from Granite City high school. After working briefly at Granite City Steel Co., he enlisted in the Royal Canadian Air Force prior to the United States entering world war II.

He underwent pilot training at RCAF bases in Nova Scotia and other parts of Eastern Canada and transferred to the U. S. Army Air Force in mid-1942.

Two weeks before Pearl Harbor, he was married to the former Mary Dutko of Madison.

During world war II, the officer logged 600 combat hours flying time as a bomber pilot from bases in England. He returned to the U. S. in late 1944 and left the service in 1945.

For five years, he was employed in the family business, Perdue Furniture Co. in Madison, in which he still is associated as vice-president. He was recalled to active duty during the Korean Conflict in 1950 and has remained in the Air Force since that time.

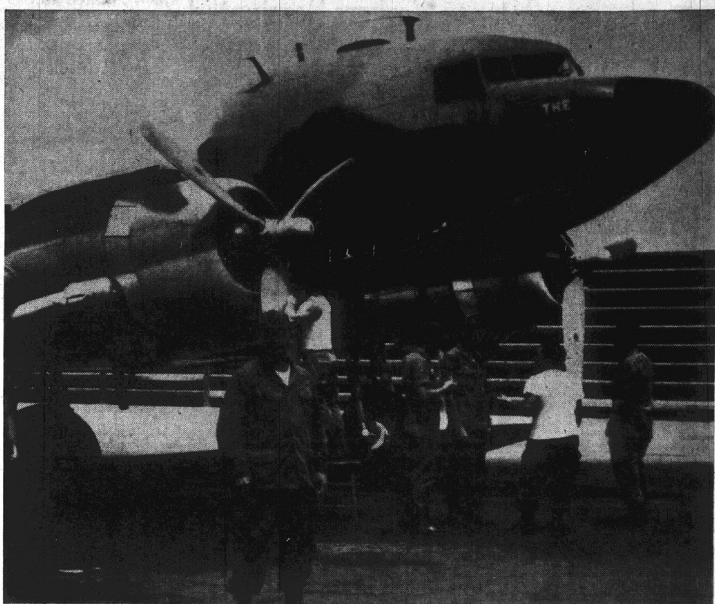

Major Perdue and his family have traveled extensively during the last two decades, spending 2½ years at a USAF base in Adana, Turkey, and two years in Scotland. They also have visited Italy, Greece, Israel and many European countries.

Assigned to Vietnam last Feb-

ruary, the Air Force officer initially was stationed for 5½ months with the 361st Tactical Electronic Warfare Squadron at Nha Trang on the South China Sea coast, north of Cam Ranh Bay. He served the remaining seven months with the 362nd Tactical Warfare Squadron at Pleiku, in the Central Vietnamese Highlands.

Major Perdue also was base operations officer at Pleiku, where his outfit was responsible for aerial reconnaissance flights using highly sophisticated equipment, most of it restricted by nature.

At 31, the Air Force officer does not expect to return to Vietnam, although he admits while in service the unexpected frequently happens. At Vandenberg, he will be involved in communications, again working with classified equipment in a restricted area.

27-YEAR AIR FORCE VETERAN, Major John W. Perdue of Madison, stands before his C-47 aircraft, "The Tiger," in which he recently completed 101 aerial combat missions in

Vietnam. Better known as a "Gooney Bird" and primarily used in reconnaissance work in Vietnam, the C-47 will bring back "fond" and "not so fond" memories to many world war II veterans.

## Kiwanis Hear Broker Speak On Investments

Edward Moore, president of the Kiwanis Club, introduced Charles Laub Jr., of E. F. Hutton & Co., Inc., broker, to the club's weekly dinner meeting Monday at the Rose Bowl, which 20 members attended.

Laub spoke on mutual funds and investments and stated that in 1952 one person out of 16 owned securities while in 1968 the numbers increased to one out of four. He added that two thirds of all share owners are in the \$5,000 to \$15,000 bracket and that 54% of all investors are women.

The mutual fund benefits the small investor by being able to hire professional management to handle their money. Two prime reasons for mutual fund investments are a young man or woman who is in college education for their children and for a retirement fund.

In his final statement, Laub said mutual funds are basically common stocks and there are more than 50,000 common stocks.

Moore announced an Inter-Club will be held with Collinsville at the Round Table restaurant on Wednesday with Marvin Barnes, Robert Lombard, Herbert Schamot and Melvin Gillie attending.

Also announced was the preliminary acceptance to sponsor a boat race with the Bow Line Boat Club with a tentative date of July 13.

### Jackpot Stolen at 'Y'

David Jesse, 2216 Carlson avenue, told police at 8:35 p.m. Monday that his blue fleecelined jacket valued at \$19 and a pair of eyeglasses valued at \$44 were stolen Friday evening at the YMCA Teen Town dance.

### Auto Fire, \$75 Damage

A carburetor backfire caused \$75 fire damage to the 1960 auto of Wendell Lee about 10:15 a.m. Tuesday in the 2400 block of Washington avenue. Firemen said the auto bore Missouri license plates.

## Social Security Official Answers Five Questions

Ralph Brasher, district manager of the Social Security office this week answers five questions asked often by persons nearing eligibility for the benefits and recipients with problems.

The questions and answers follow:

Q. Can I find out what my benefits will amount to in case I wish to retire before reaching age 65?

A. Yes. People in any social security office will be able to give you a fairly close estimate if you show them the information you receive on the card.

Q. Why does a beneficiary lose benefits if he earns over \$1680 a year?

A. The basic idea underlying social security is that benefits are intended to partially replace earnings lost because of retirement, death, or disability. If a person is still working and still has substantial earnings, then he has not had the kind of loss that social security is intended to replace. For this reason, when a beneficiary has earnings in excess of \$1680 a year, some or all of his benefits are withheld. The exact amount withheld depends on how much above \$1680 his annual earnings go, and also whether there are months the beneficiary neither earned wages of over \$140 nor rendered substantial services.

### Pleads Not Guilty To Burglary Charge

Ted Dixon, 18, of 3021 Forest avenue, entered a not guilty plea Monday afternoon to a charge of attempted burglary. Bond was set at \$12,000 property and \$602 cash. He was released Monday evening to Madison county deputies, pending a preliminary hearing.

Dixon was discovered by Granite City police at 1:30 p.m. Monday, crouched behind an old car at the rear of Houser Auto-motive Repair, 1801 Madison avenue. A rear window at the business place had been pried open, police stated.

## GC Advertising Expert To Speak at SIU-SW

Alvin T. Barnes III, advertising director, Tri-City Grocery Co., is among advertising officials who will speak to the SIU-SW campus students in the Broadcast Advertising course, Richard L. Stoppel associate professor in the Fine Arts Division is the instructor.

The course is designed to give students in an introductory class in broadcast advertising an understanding of advertising's role in the distribution of goods and services. Stoppel added that the course also will show how advertising is used in shaping ideas and opinions, attitudes and beliefs, plus an appreciation of its functions as a psychological and communication device.

"These men who have agreed to speak to the class throughout the course are recognized as top men in their field," said Stoppel. "Not only is their formal presentation valuable," Stoppel explained, "but perhaps even more valuable is the question-and-answer period which follows."

## Traffic Fatalities Dip In State for January

One hundred and forty persons were killed in Illinois traffic accidents during January. This is a decrease of 30% from the 174 traffic fatalities reported in the same month last year.

The statistics, compiled by the Bureau of Traffic in the Division of Highways and by the Illinois State Police, were announced by Public Works Director William F. Cellini.

Cellini said the 1968 provisional traffic death toll for the state now stands at 2495. This represents an increase of two deaths or less than one per cent, over the 2493 persons killed during 1967.

## Training Academy for Local Police Proposed

A state-operated training academy for local police was among recommendations made by a state study group to improve local law enforcement.

The year-long study was conducted by the Public Administration Service, Chicago, for the Illinois Local Governmental Law Enforcement Officers Training board.

The report, "Police Training and Education in Illinois," said "untrained and inadequately trained law enforcement officers are one of the state's most serious problems."

It recommended legislation to provide additional police training and education.
